AIACE IN ACTION

CORE TEAM OF AIACE CARES !

The Core Team of AIACE, consisting of dedicated members with experience in varied fields and located at different cities, is always there to help the members solve their problems. The Team Members use their resources and contacts to the benefit of members. Once an issue is raised in the WhatsApp group, the members immediately assist in solving it.

The most common issues faced by the members, especially Associate members are as follows.

- | | |
|------------------|-------------------|
| 1. CPRMSE | 3. Pension |
| 2. NPS | 4. PRP |

A. CPRMSE ISSUES

- i. A common problem is obtaining Medical Card. The Core Team guides the members as to how to obtain the Medical Card and provides the necessary support.
- ii. Hospitalisation and reimbursement of medical expenses. List of empanelled hospitals is made available on our website aiace.co.in and also in the WhatsApp groups. Members are given assistance to get cashless treatment and where this is not extended, the Team helps in getting the reimbursement.
- iii. When a member needs hospitalisation in a different city, the local branch in that city helps in all possible ways.

B. NPS ISSUES

- i. The Core Team has assisted the members in filing profile form on CIL website for NPS. This was crucial to many Associate members who were not even aware of NPS.
- ii. The cases are followed-up with CIL to ensure early settlement.
- iii. Help is also given in submission of Life Certificate to different ASPs.

C. PENSION

- i. Executives retired between 1-1-2017 and 31-10-2018 were entitled to enhancement of pension due to pay revision. AIACE raised this issue and the Core Team compiled all the required details. Almost all cases have now been settled.
- ii. The matter of arrears of pension to executives retired between 1-10-2020 and 30-06-2021 due to freezing of DA has also been taken up.
- iii. Jeevan Pramaan camps are conducted every year. MOU has been signed with India Post to issue Jeevan Pramaan.

MINUTES OF ZOOM MEETING HELD ON 21ST AUGUST 2022

A virtual meet on ZOOM was held on 21st August 2022 from 6:00 PM in two Sessions of 40 minutes each. It was attended by members from across the country. The purpose of the meeting was to finalise further course of action to be adopted for revision of Pension Scheme 1998.

Dr.B.K.Srivastav presided over the meeting and informed that in view of the answer given by the Hon'ble Minister of Coal in the Rajya Sabha that under the present circumstances there is no possibility to reise the pension, we have to intensify our struggle for revision. He informed that the Board of Trustees, CMPF, during the meeting on 16th August 2022 at Nagpur discussed the matter of extending the voluntary cess of Rs.14 per MT of non-coking coal to all types of coal and to make it mandatory. But a final decision in this regard will only be taken in the next meeting of BOT and then CMPS Act has to be suitably amended by parliament. Also report of the Actuary is awaited. This is nothing but eyewash and delay tactics adopted by CMPFO and has been going on for many years. We should continue our protest until a concrete decision is not taken.

Sri. P.K.Singh Rathor told that Dharna staged at Jantar mantar in July 2022 has had an effect and our demand for revision of pension was discussed by BOT, CMPF was discussed at their meeting held on 16-8-2022. He requested Sri. D.R.Jharbade, General Secretary, AICPA to give details of their meeting with BOT members at Nagpur.

Sri. D.R.Jharbade said that representatives of AICPA met Sri. Rakesh Kumar, Chairman, BOT, Sri. A.K.Jain, Secretary, MOC and Sri. P.Agarwal, Chairman, CIL and submitted a memorandum of demands by AICPA. Sri. Rakesh Kumar informed us that the matter will be discussed in detail in the next meeting of BOT that is scheduled after 3 months. The issue was also discussed with Sri. A.K.Jain and Sri P.Agarwal who reacted positively to the matter. Sri. Rakesh Kumar assured that the minutes of the meeting will be sent to AICPA.

Sri. P.K.Singh Rathor said discussion is going on for fixing the minimum pension at Rs.1000. Officials at every level have realised that the pension under CMPS should be enhanced. This is due to the constant efforts of AICPA & AIACE. However it is an official process that take time and we have to be prepared for a long struggle. We have taken a momentous decision today to observe Dharna at the Headquarters of CMPF at Dhanbad and all the Regional Offices on **10th October 2022** and to organise a massive rally at New Delhi on **5th December 2022**. He requested all the members to participate in these dharnas in large numbers and make our protest rally a resounding success. All Branches are advised to hold meetings and finalise the list of members who will attend

the Dharnas. He congratulated AICPA, Betul Branch for their active participation in Dharna in July 22, successful meeting with BOT and for their suggestion to prepare a flag of AICPA.

Sri. Dinkar Sahu suggested that a common memorandum regarding pension revision should be prepared centrally and sent under the signature of Sri. P.K.Singh Rathor, Convener, AICPA.

All the members agreed to the proposal to hold Dharna at CMPF, HQ, Dhanbad and at all the Regional Offices on 10th October 2022 and also to participate in the Rally at New Delhi on 5th December 2022.

1. Dr. A.K.Dubey (M-180)
2. Sri. V.K.Srivastav (M-1418)

Sri. R.A.Manjunath Prasad raised a point of order stating that as per the Bye-Laws of AIACE, required quorum of 1/3rd of active members should be there to conduct AGM. In absence of quorum, the meeting was deferred for 30 minutes and AGM was held as per rules.

The following points as per the Agenda were discussed.

1. ADOPTION OF AUDITED ANNUAL ACCOUNTS FOR THE YEAR 2021

P.K.Singh Rathor read out the accounts and explained the salient points. Sri. Swapanlal Choudhury whether any rules/norms have been framed for exercising control over expenses. It was replied that considering the size of the Association and the volume of transactions, it is not felt necessary to frames any such rules. Expenses incurred by members on behalf of AIACE are in

consultation with the Convenor and Vice-President and are reimbursed post-facto after ascertaining the reasonability of the amount. Sri Choudhury stated that expenses under some of the heads of accounts are mixed up- for e.g. Meeting expenses contain travelling expenses etc. It was clarified that amounts are booked under broad identification as sometimes combined bills are submitted. Detailed bifurcation/classification is neither practical nor necessary. Considering that total expenses for the year is Rs.4.43 lakhs only sufficient details are given.

Sri. Manjunath Prasad raised a query that out of the total amount of Rs. 1.97 lakhs under Meeting Expenses, Rs. 1.34 lakhs (68%) has been paid to Dhanbad, Asansol and Ranchi Branches and this needs clarification. It was clarified that the expenses of these branches are high due to organisation of Dharna on 15-02-2021 at Dhanbad, Ranchi and Asansol in front of CMPFO and also due to fast unto death call by Sri H K Choudhary and for negotiation with CMPFO officials, meetings of members were organised. Participants from different Branches were provided accommodation etc. These are not regular expenses. It was suggested that next time such non-regular expenses be shown separately to avoid confusion.

Sri. R.K.Chowrasia asked for details of amount booked under Office Expenses. It was clarified that we are maintaining offices at Bilaspur, Dhanbad Delhi, Bengaluru, Asansol and other places and the consolidated amounts of these offices are booked under Office Expenses.

Members unanimously agreed to adopt the audited accounts.

2. ELECTION OF CENTRAL COMMITTEE MEMBERS

As per rules the term of the Central Committee is for 3 years and the last election was held in July 2019 and elections are to be held before November 2022. The Electoral College consists of Branch Executive Members. Sri. Pawn Tandon was of the opinion that the Convenor may be empowered to nominate the members of the Central Committee. The Convenor clarified that

physical meeting to elect the central committee members is necessary and the results are to be intimated to the Registrar of Trade Unions.

Sri Kamal Narayan Prasad said that each Central Committee members should be supported by at least 10 members so that only deserving candidates are elected. However as per the Bye-Laws of AIACE, nomination of a member is to be proposed by one member and seconded by another. Thereafter either election or nomination will take place.

Members agreed that election to the Central Committee be held at Bilaspur on 16th October 2022 and all Branch Committee members are requested to attend the same.

3. DHARNA AT CMPF OFFICES ACROSS THE COUNTRY AND DHARNA AT NEW DELHI

It is proposed to organise a Dharna in front of all the Offices of CMPF on 10th October 2022 and a grand Dharna at New Delhi on 5th December 2022 to for review and restructuring of CMPS, 1998 to allow revision of Pension in line with IBA. Members of AIACPA, AIACE and various other organisations of pensioners will participate in these dharnas. The dharna at CMPFOs will be from 10 AM to 1 PM and all members are requested to join in great numbers to make it a success. Members residing at Varanasi can join the dharna at Singrauli and those residing in South India can attend at either Ramagundam or Nagpur. If sufficient number of members come to Delhi the dharna may be held at Ramlila Grounds or any other suitable place.

4. MEMBERSHIP DRIVE

All members are requested to enrol at least 5-6 new members, especially working executives, during the period September-December 2022. Retired executives will not be given membership of AIACE after 31-12-2022. One of the members said that the admission fee of Rs.5000 is too high and many are reluctant to pay this amount. It may be noted that due to the efforts of AIACE, we are now getting enhanced OPD Payment of Rs.36000 p.a. and Interest on NPS and the retired executives are getting good benefits. In light of this Rs.5000 is not at all high. Also, executives who want to join AIACE for personal gains are not at all wanted by us. It was also informed that AIACE is running Benevolent Fund and Rs 10000/is given to spouse in case of death of member.If any members dies before paying Rs 10000/ to the AIACE, still his/her spouse will get Rs 10000. In case a member joins at the age of 60 years, maximum amount, he will pay to the association will be Rs 12500/ at the present rate till achieving the age of 75 years and after 75 years of age, he is exempted from paying annual fee. The convenor told that AIACE runs on the principle of SSS(Self less service to the society)

and its members are always ready to help others in resolving the issues. But members should note that there no place in the association for them who want to join this with exclusively personal purpose. He further told that recently many members have joined with selfish motive only. All members were advised to make aggressive membership drive between Sept-Dec22 but must see their motive before allowing them membership.

6. ACTIVATION OF CIEWA (Coal India Executives Wives' Association)

It was decided to activate CIEWA at different places and the ladies are requested to come forward and participate actively in different initiatives taken by AIACE.

7. ACTIVITY REPORT AND ACHIEVEMENT OF AIACE

Sri Manjunath Prasad presented the activity report and achievements of AIACE. The Dharna organised at Jantar-Mantar, New Delhi in July 2022 was a grand success so much so that after Intelligence Bureau gave its report, we were denied permission by the Police from fifth day. The Hon'ble Minister of Coal has not said that pension will not be revised. The Members of the Board of Trustees, CMPF, who were met by AICPA & AIACE members at Nagpur on 16-08-2022 have also reacted positively to our demands. We have submitted memorandum of demand to various Members of Parliament and have received their support in the matter. It is because of the constant efforts of AIACE that OPD payment under CPRMSE has been enhanced to Rs.36000 p.a and Interest on NPS has been finalised and will be paid shortly.

The Core Team members are tirelessly working to help the members, especially the Associate Members in resolving their issues like widow pension, issue of medical card, medical reimbursement. Launching of AIACE Members' Benevolent Fund at the Foundation day Function held at Bengaluru on 16th May 2022 is another remarkable achievement. Amount of Rs.10000 each as per the scheme has been disbursed to Smt. Sangita Dubey w/o Late Dr.A.K.Dubey (M-180) on 17/8/2022 and to Smt. Latika Srivastava w/o Late Sri. V.K.Srivastava (M-1418) on 10/9/2022.

8. SUBMISSION OF LIFE CERTIFICATE FOR CMPS

All the Branches are advised to hold a meeting in November 2022 and generate Life Certificate of its members. AIACE has MOU with India Post Payment Bank and members can avail their services at home also for a nominal charge of Rs.70. Sri. R.K.Chowrasia, General Secretary, Bengaluru Branch confirmed that Jeevan Pramaan camp and family get-together will be organised at Bengaluru for our members. We will generate Digital Life Certificate for CPRMSE also. It was pointed out by Sri Manjunath Prasad that Jeevan Pramaan generated in November 2021 was not accepted by Subsidiary Companies who insisted on submission of hard copy of

life certificate in revised format. Convenor said that during his visit to Nagpur he took up the matter with CMS and Finance Executives of WCL and the matter is now resolved and there will not be any such problem this year. It should be noted that all beneficiaries have to update their data on CPRMSE portal as per earlier circular details of which will again be posted shortly in WhatsApp groups. Sri Man Mohan Yadav wanted to know how to submit Life Certificate for NPS Annuity. It was clarified that all details on this are available on our website.

9. EMPANELMENT OF HOSPITALS

AIACE has approached CIL to empanel hospitals in each district as retired employees have to travel a long distance to existing hospitals that are far away. They now have the option of taking medical treatment at any Government/CGHS Hospital on payment basis and the expenses will be reimbursed as per rules. It is brought to the notice of members that empanelled hospital has to send e-Mail to CMS of the concerned Subsidiary for approval of cashless treatment.

Some members wanted certain hospitals to be empanelled by CIL. As per CIL policy, the hospitals have to apply for empanelment and AIACE will facilitate the process of empanelment.

10. INTEREST ON NPS

Interest on CIL Executive Defined Contribution Pension Scheme (NPS) has been computed, audited and uploaded on CIL Pension portal. Members can download the details. The interest will be disbursed shortly.

Sri. Kurrey stated that the interest has been calculated correctly. Sri Manjunath Prasad pointed out that the following two points are to be taken up with CIL after the interest is disbursed:

- i. Limiting factor has been used to restrict the interest so that total value of perquisites (including interest) does not exceed 30% of the salary. But interest is for delayed payment of perquisites and it is not proper to include that in the limit.
- ii. It is to be clarified whether the Rate of Interest given is the net yield (after tax) or the gross yield obtained by CIL on the investment of our corpus. If net yield has been used it will lead to double taxation as interest will be taxable in the hands of the receiver.

11. REORGANISATION OF BRANCHES AND WHATSAPP GROUPS

Convenor informed that it has become necessary to reorganise the Branches by merging some of the Branches. This will be done shortly.

Moreover, the earlier limit of 256 participants in each WhatsApp group is now enhanced to 512. The present 14 Main groups will be reorganised into 5-6 New Main groups for smooth working.

All members are advised to regularly contribute to the groups, read all the messages and visit our website aiace.co.in to get updates. They should also attend the meetings organised by the Branch Committees. Henceforth information will not be shared telephonically on one-to-one basis, but only on WhatsApp, website and during the meetings. Members should raise the issues in local WhatsApp group so that all members should be able to know and try to resolve at their level. It was also advised that all members should always keep awoken as it has been observed that in spite of different information provided in WhatsApp group from time to time, many members are repeating queries.

The meeting ended with Vote of Thanks by Sri. Manjunath Prasad.
