Dear Readers,

I am glad to hand over Year -6, Volume-II of AIACE Today in your hand. Since beginning, we have been improving the content and quality of the magazine.

The Central govt is working hard to meet the energy need of the people of the country through the mix of convention and non-conventional energy. In spite of major emphasis on solar, hydel and wind energy, the coal will continue to dominate the energy scenario. For fulfillment of ATMA BHARAT mission, Coal India, Singreni Collieries, Captive coal mines and other private mines are putting all the efforts to meet the requirement of coal indigenously.

In the last three months, AIACE/AICPA have accelerated the efforts for enhancement of pension under CMPS1998. Our members met the coal minister, Sri G K Reddy and also other MPs namely Sri Tokhan Sahu (Bilaspur), Sri Eatata Rajender (Medchal Malkajigiri), Sri Bandi Sanjay Kumarji (Karimnagar), Smt Dr Kadiyam Kavya ji (Warangal), Shri Balram Naik ji (Mahbubabad), Shri Gaddam Vamsi Krishna ji (Peddapally) and requested for taking up the issues with the minister and central govt to take speedy action on pension reform.

AIACE/AICPA members staged dharna before regional office at Asansol (WB) in Aug 2024 and Chhindwara in Sept 2024 for fulfillment of different demands related to various pension issues involved under CMPS1998. The next dharna and hunger strike is proposed in front of regional office Talcher on 28th October, 2024.

Coal India Limited issued promotion orders for different disciplines from E7 to E8 grade in the last week of August, 24 after a very long interview period of seven months. It is really alarming that in some disciplines, number of candidates were lesser than the number of posts whereas in some disciplines, deserving candidates were deprived of the promotion on the ground of lesser vacancies. Coal India mgt must take action for rationalization of E8 grade posts among different disciplines. It should also opt for outside recruitment in some of the disciplines in which internal candidates are not available for promotion.

The pay conflict issue of executives is still unresolved due to court case. Our association has suggested CIL mgt to come out with proposal acceptable to executives and the executives will be glad to withdraw the case.

In the last three months, AIACE coal clubs, Bilaspur, Nagpur, Kolkata, Patna, Varanasi and Delhi NCR organized very lively Savan function/ Barsha mangal programmes and members enjoyed the function very much. The anthem of AIACE/AICPA was also launched on the occasion of Barsha Mangal function organized on 15th September by Kolkata Coal Club.

AIACE organized its annual meeting on 2nd October, 2024 in which accounts for the calendar year 2023 and financial year 2023-24 were presented, discussed and adopted.

Now, the time has come to speed up the movement of enhancement of pension, empanelment of hospitals in different cities across the country.

Lastly, we celebrated Ganesh Puja, Onam, Durga Puja and others in the last one month.

Best wishes to all for Deepwali, Chhath and other festivals.

Regards,

(Handwritten signature)

CHAPTER-II

JOURNEY OF AIACE

हम अकेले ही चले थे जानिब ए मंजिल मगर, लोग साथ आते गए और कारवाँ बनता गया....

We started alone towards the Goal, but people joined us and caravans built....

ALL INDIA ASSOCIATION OF COAL EXECUTIVES(AIACE) was formed on 16/5/2015 by Sri P K Singh Rathor, Sr Manager(IED), SECL Korba Area. He had announced on 1/5/2015 that if Coal Mines Officers Association of India (CMOAI) fails to resolve the issue of PRP and others, he would resign from CMOAI wef 16/5/2015. Sri Rathor resigned from CMOAI on 16/5/2015 as PRP and other issues of working and retired executives were not resolved. With the consent of like-minded officers of SECL Korba Area and support from other executives from CIL/SCCL, it was announced regarding formation of new association of working and retired coal executives named AIACE.

Sri Rathor made first visit to Asansol in first week of June and visited some of areas of ECL and met with many executives to explain the compelling situation for formation of AIACE. In fact, executives of ECL field became the nucleus of AIACE and they readily formed the Asansol Branch of AIACE.

The story of AIACE, Asansol branch is very unique and most unforgettable. A meeting on 6th June, 2015 was planned in CMPDIL, RI-I club that day and due permission was obtained from RD, RI-I, Asansol unit. All the arrangements like seating arrangements, banner placements, dias arrangements were done. About 20 to 25 members turned up for the meeting but in the last moment, we were denied permission for the meeting due to excessive pressure from CMOAI, ECL HQ to foil the meeting.

But we succeeded in arranging a small meeting at Shristinagar, Asansol where 5 to 6 members turned up.

It is worth to recall that our Convenor Sri P K Singh Rathor had told the then RD, RI-I of CMPDIL, Asansol to wait for 5 years to see the impact of AIACE. Today the AIACE, Asansol team is doing excellently and most powerful Branch having highest membership strength. This was possible only due to the joint efforts of all the members.

After that Sri Rathor had toured Dhanabad, Ranchi, Delhi, Patna, Bhubneshwar, Nagpur, Talcher, Sambalpur, Kothagudem (Telangana), Varanasi, Mumbai, Bangalore, Singrauli, Durgapur, Chandrapur and other places.

The association was registered under The Trade Union Act with Chhatisgarh Govt and the registration no is 546 dated 24/5/2016. It has got permanent account no. (PAN) with no. as AAEEA7978E. The registration and permanent account numbers, an association must have for collecting any subscription from members, otherwise the collection of any amount may be treated as illegal.

In the last 6 years, AIACE conducted meetings each in Kolkata, Asansol, Dhanabad, Ranchi, Delhi, Bilaspur, Bengaluru ,Nagpur, Samabalpur, Talcher, Patna, Bhubnewshar, Mandamari (SCCL), Kothagudem (SCCL) , Hyderabad ,Jabalpur ,Mumbai, Bhopal and other smaller meetings in different areas of Coal India and Singreni collieries from time to time.

AIACE has charted out core issues concerning working and retired executives of CIL and SCCL. Its representatives are meeting parliamentarians. state legislators and govt officials for pressing their issues for solution.

It is working over one major issue for enhancement of pension. Coal pensioners are apprehending that they may not get pension in future, if something concrete is not done at the moment. The working executives and employees will be the worst sufferer if the issue of pension is not addressed properly.

**CHAPTER-V
AIACE IN ACTION**

**ALL INDIA ASSOCIATION OF COAL EXECUTIVES (AIACE)
KERALA BRANCH**

The Executive Committee of AIACE-Kerala branch met online on 20th July 2024. The following were present:

1. Mr. D. Ajayakumar, President
2. Mr. VV Phalagunan Pillai, Vice President
3. Mr. AV Seshan, General Secretary
4. Mr. K. Kuttan, Treasurer
5. Mr. Thomas John, Jt. General Secretary
6. Mr. P. Sidharthan, EC Member
7. Mr. KA Gopalan Achary, EC Member.

The meeting was called to order at 7.00 PM and the President welcomed all members. It was informed that though the meeting was originally scheduled for 16th July 2024, due to lack of quorum, the meeting had to be postponed to 20th July 2024.

The committee, at the first instance, inquired about the health condition of Mr. KA Gopalan Achary, EC Member, who had undergone an angioplasty procedure in the last month, and it was heartening to learn that the procedure was successful, and he was consistent in his progress to normalcy. The bills for the treatment have been processed and after clearance from the medical department, the same is being processed in the Accounts department at WCL HQ.

The following points were discussed:

- 1) The present status of pension revision agitation was updated, and the members raised a doubt as to whether the revision is proposed for all grades and times or only for the baseline pensioners. It has been clarified by the Association's central body that, the movement for

pension revision is not segmental for a particular group of retirees . AIACE is fighting for fixing formula for pension revision based on consumer price index/DA ie our movement covers all pensioners of all grades, all categories.

2) The serious issue of inducting more members was considered and it was suggested that at least one member per month should be added. Towards this, all officials in the Executive Committee should make use of their contacts with the retired fraternity.

3) Empanelment of hospitals in Kerala for the benefit of retired employees was taken up for discussion. As of now, there are only two hospitals on CIL panel, and both are clustered in one corner of the state. This is causing great inconvenience. Though initial efforts were made to contact hospitals, it has not yielded results for reasons that hospitals are not satisfied with the rates for consultancy and procedures; moreover, CIL has not been able to fulfill the timely payment commitments to the hospital. It was, however, decided to make further efforts to empanel hospitals in each region of the state.

4) It was brought out in the meeting that ONGC has an agreement with Lakeshore Hospital, Ernakulam based on mutually agreed rates. We should explore if such an arrangement could be possible for CIL with this hospital. Local body decided to contact the said hospital and obtain documents regarding mutual agreement between ONGC and the hospital on rates. After we get, we may approach CIL mgt for further action.

5) It was discussed and decided to hold monthly meetings of the Branch Executive Committee on every second Saturday of the month.

6) Issuance of revised PPO has been lingering on without much positive results. Effort should be made to find out the factual position and if any action is required from our side. For speedy issuance of revised PPO and corrected data, AIACE has given notice to gherao CMPF office, Asansol. Similar movement will be organised at other places too.

The meeting ended with a vote of thanks.

Though immediate action was promised by CCL, the outcome is still awaited.

5. The necessity to add new members was discussed. It was brought out that most of our retired executives are of the pre-revised salary time and the pension amount received is meagre. They are finding it difficult to pay the membership fee of Rs.5000/-. However, efforts are on to motivate known people to join. It was felt that a drive must be conducted soon in this regard.

6. Mr. AV Seshan, as promised, presented the documents to be sent to the proposed hospitals that they are required to submit as enclosures while applying for empanelment.

7. OPS vs NPS vs UPS vs CMPS schemes were explained and discussed in the light of recent communications on the topic. For a period of two years and they charge @ 2014 Non-NABL rate list of CGHS, Trivandrum.

It was decided to place this proposal in the ensuing General Body meeting for consideration and decision.

An online General Body meeting will be held on a convenient day soon.

14. In order to raise any matter of grievances, AIACE - Kerala Branch has started an email ID that the members can use. The mails received in this mail box will be attended to at the earliest possible time. For information of the members the email ID is: aiace.kerala@gmail.com

15. Another constraint observed was the unwillingness on the part of the hospitals to provide cash-less treatment. Main reasons raised was non-payment of treatment bills by CIL, huge amounts are pending for payment and it becomes difficult for the hospitals to sustain themselves.

A copy of the ONGC contract with VPS Lakeshore Hospital, Ernakulam was on the

look out, but the concerned offices would not give it out. ONGC has a contract with this hospital on mutually agreed rates for different ailments.

It was suggested that AIACE Central Body take up with CIL to resolve the pending bills issue of the hospitals and to help create a good will for the company. A study may be undertaken to ascertain the current position of pending bills and streamline the process to complete payment early.

16. A question also arose if any provision exists for reimbursement of routine monthly medical bills like for diabetes, blood pressure etc. The same could not be answered in the meeting and shall seek necessary information.

17. The meeting ended with once again greeting all on the eve of Onam festival and vote of thanks.

ALL INDIA ASSOCIATION OF COAL EXECUTIVES

MINUTES OF THE ONLINE MEETING HELD ON 2nd OCTOBER 2024

The Annual General Body Meeting of AIACE was held on 2nd October 2024 via Google Meet. Sri.R.B.Mathur President, AIACE, presided over the meeting that was attended by 45 members from all across the branches. The meeting started at 4:30 PM, but due to lack of quorum, it was deferred for 30 minutes and resumed at 5:00 PM.

All the members introduced themselves first and then, Sri R B Mathur was nominated to preside over the meeting by voice vote.

Sri.R.B.Mathur extended his good wishes to the members and assured that he would meet Chairman, CIL in the first week of November 2024 and would request him for early implementation of revised PPOs and speedy resolution of the issues related to CMPS-1998 pension & CPRMSE. He requested Dr. B.K.Srivastav to provide him with a write-up. He directed to start the discussion as per agenda.

Following agenda for the meeting was put before the participants which was already circulated to them along with financial reports.

- 1. Presentation of Income & Expenditure Account for the calendar year 2023 and Financial Year 2023-24**
- 2. Brief of the past activities of AIACE during the year 2023 and up to 30th September 2024**
- 3. Future Action Plan**
- 4. Any other matter**

Sri P.K.Singh Rathor, Convenor, AIACE welcomed all the members and paid tribute to Mahatma Gandhi and Sri Lal Bahadur Shastri on their birth anniversary. He requested Sri Manjunath Prasad to present the annual accounts for discussion and adoption by the General Body.

Sri Manjunath Prasad presented the accounts for the Calendar Year 2023 and Financial Year 2023-24 and explained the salient points. He invited the members to give their comments. The matter was put to vote and the accounts were adopted unanimously by voice vote.

Dr. B.K.Srivastav outlined the activities of AIACE. He said that a number of Dharnas were held by AIACE/AICPA members during the last few months in co-ordination with other organisations for revision of pension. He further told that members of AIACE/AICPA, Hyderabad branch submitted Memorandums to Minister of Coal and several MPs and we can expect a positive result in the near future. Our well researched suggestions on pension revision and improvement of Pension Corpus have been well received by the Board of Trustees and are being considered. CMPFO has held a few meetings with Coal India to find ways and means

for revision of pension. A consultant is being appointed by CMPF, BoT shortly for suggesting amendment in CMPS 1998 in the wake of our demands under prevailing situations and for formulating revised pension. Sri Shrivastav further told that a dharna was organized on 23rd September 2024 before CMPFO, Chhindwara by members of AICPA/AIACE and other pensioner associations. During dharna, it emerged that our aim is same and we would co-operate with one another to achieve this aim.

Sri P.K.Singh Rathor said that in the meeting of AIACE representatives on 31st January, 2024 with Addl. Secretary, Ministry of Coal, it was agreed in principle that pension needs revision and meetings to examine suggestions for the scheme were muted to be initiated in 2 months, which were however delayed. We are in touch with Commissioner, CMPF in this regard. He further told that AIACE had facilitated empanelment of hospitals of various cities under CPRMSE and a few more cases are under consideration. We have demanded that annual OPD amount to be revised from Rs. 36,000 to Rs.1,00,000. CIL is examining this demand. As regards delay in payment of hospital bills, management informed that some hospitals are submitting inflated bills. The issue of non-reimbursement of medical expenses at empanelled hospitals due to change of management has been raised with CIL management for taking needful action for change as per requirement.

There is a proposal to cover retired employees under CIL Accident Benefit Insurance Policy. Unfortunately, this is held up due to reservations expressed by the insurers. He said that executive promotion process has been streamlined and timely promotions are being given. Pay conflict between executives and non-executives consequent to implementation of NCWA is being pursued by us. But no decision could be taken due pending Court Cases.

Sri Rathor told that involving spouses and family members in AIACE activities, AIACE Coal Clubs have been formed at different locations viz - Kolkata, Asansol- Ranigunj, Durgapur, Ranchi, Patna, Varanasi, Delhi NCR, Bengaluru, Nagpur, Bilaspur, Raipur, Korba, Bhopal and other places. Attempts are being made to make the club functional at other places too. The coal clubs are organising excellent programs with active participation of members and their families. The members of all the Coal Clubs deserve congratulations. The Kolkata Coal club has fixed a bench mark for other coal clubs.

Sri P K Singh Rathor told that AICPA, Talcher branch has proposed to hold Dharna before CMPFO, Talcher on 28-10-2024 and formal decision will be taken soon by holding combined meeting of AIACE and AICPA and accordingly notice of dharna will be served. He also proposed to hold a dharna at Dhanbad before CMPFO head office in the middle of November'2024 and decision for this will be taken at the appropriate time and separate notice will be issued regarding this.

Sri Rathor further told that the efforts and suggestions of AIACE are highly appreciated by the CIL/SCCL Management, CMPFO and Ministry of Coal. However, due to lack of sufficient members, we are not able to leverage our efforts. Many people have great hopes on AIACE which is a unique organisation working selflessly for the welfare of the executives of Coal Industry. He appealed all members to enrol new members by giving publicity to our activities and motivate them to join AIACE to increase our strength.

Sri Anjani Kumar said that medical expenses incurred in emergency cases at non-empanelled hospitals are not being reimbursed. Dr. A Murali Mohan clarified that intimation should be sent to CMS in all such cases for obtaining approval of Director (P)/CMD. Reimbursement will be at CGHS rates. Sri P.K.Singh Rathor advised that email is to be sent to CMS and a message to be posted in WhatsApp group so that the issues are taken up with respective mgt.

Sri P.K.Singh Rathor requested Dr. A Murali Mohan to conduct a seminar on CPRMSE where the members may be guided and their doubts can be cleared.

Sri. A K Sharma said that cost of medicines is increasing and the limit of Rs.25 lakhs should be revised and linked to Price Index. Sri P.K.Singh Rathor told that we can buy generic medicines at affordable rates. Sri Ambika Chakravorty and Mohd. Mazarul said that not all generic medicines are available and doctors do not prescribe them. Matter has been noted for action.

Sri Alok Kar Choudhury said that process of issuing Revised PPOs is extremely slow. Sri P.K.Singh Rathor replied that during his discussion with Chairman, CIL, he was informed that details of pensioner's family is available with CMPFO and Banks. CMPFO should only issue a mandate to the Banks to release pension to the spouse upon death of the pensioner and submission of death certificate. CMPFO is intentionally issuing revised PPOs with mistakes. This issue will be taken up with Ministry of Coal to stamp out corruption in CMPFO.

Sri K. Mangapathi, General Secretary, Vizag Branch informed that, in Vizag there are many Singareni Retired officers. They do not have any empanelled Hospital at Vizag. Care has two branch hospitals in Vizag. One is NABH recognised and the other is under process. Care is ready to accept CGHS rates and provide bills from NABH Accredited Hospital Branch. So, AIACE, Vizag branch and CREW members jointly arranged a meeting with CARE hospital (which is not a CIL panel Hospital) authorities/CEO who agreed to provide medical facilities to AIACE & CREW members at CGHS rates. This will greatly benefit the beneficiaries, maximum of whom are Singareni retired officers.

This is the achievement of AIACE and CREW, Vizag Jointly.

P.K.Singh Rathor requested all members to explain to their family members the facilities and benefits available to us and also give them the details of persons to be contacted in case of any emergency.

Sri J Kanjilal proposed that AIACE should collect membership fee from members for 5 years at a time and many members are willing to pay at a time. On this proposal, Sri P K Singh Rathor informed that AIACE is a trade union and membership fee is collected every year. This is the right practice to have check on the leadership. If fee is collected at a time for several years, the leaders may not respond to the members demand and may also ignore them. The leadership must be awakened and responsive to the members' expectations. If they fail to rise to occasion, the members may not renew their membership. So, this is not possible. He also told that AIACE wants that all its members remain active and the association does not need membership fee only but their activities. Through, annual membership, it is ensured that they deposit fee and also inform in the group. This is also needed to know about their wellbeing. He cited examples of death of two members of Nagpur branch whose death report came much later and benevolent fund payment was made just after information. He appealed all members to go through the posts in main groups of AIACE for keeping themselves updated about developments.

Members are requested to post about their health conditions and wellbeing on 1st of every month in the local Groups.

It was informed that the website of AIACE has been redesigned in new look with user friendly interface. Important informations are uploaded in website and members must visit it frequently. It is also being planned to start YouTube channel and Podcast to highlight our issues and concerns to general public.

It was decided to issue notice for depositing annual fee.

Sri Pawan Tandan, Sri N C Sarkar, Sri R L S YADAV, Sri Sanjay Srivastava, Sri J Kanjilal, Sri R K Chowrasia and other also spoke on different issues.

The meeting ended with a vote of thanks by Sri. R.A.Manjunath Prasad.

धनबाद। ऑल इंडिया एसोसिएशन आफ कोल एजेक्यूटिव्स के प्रिंसिपल जेनरल सेक्रेटरी पीके सिंह राठौर ने कोल इंडिया चेयरमैन को पत्र लिखकर सीएमपीएफ द्वारा कोल पेंशनरों के आश्रितों को जारी किए जा रहे गलत रिवाइज पीपीओ पर सलाह मांगी है। कहा कि सीएमपीएफओ ने पेंशनभोगी की मृत्यु के बाद मूल पेंशन के 60% की दर से हकदार राशि के भुगतान को कर्मचारियों के पति/पत्नी के नाम का उल्लेख करते हुए संशोधित पेंशन भुगतान आदेश (पीपीओ) जारी करने का निर्णय लिया। इसने सीआईएल और एससीसीएल की कोलियरियों/इकाइयों के माध्यम से देश भर में मौजूदा पेंशनभोगियों से डेटा और दस्तावेजों के संग्रह के लिए विभिन्न प्रारूप भी प्रसारित किए, जहां से वे सेवानिवृत्त हुए। इससे पेंशनधारियों में हड़कंप मच गया। सीएमपीएफओ ने सभी पेंशनभोगियों को अपने पेंशन भुगतान खाते को पूर्व या उत्तरजीवी मोड में परिवर्तित करने का निर्देश दिया। नोडल बैंक एस्वीआई भी विभिन्न स्तरों पर निर्देश दे रहा है। आरोप लगाया कि संशोधित पीपीओ की तैयारी पूरे सीएमपीएफओ के विभिन्न क्षेत्रों में आधे-अधूरे तरीके से शुरू की गई थी।

AIACE-AICPA PENSION MEMORANDUMS

Today, on 22nd June, 2024, in Narsapuram, Andhra Pradesh, Sri RCV Raju, Retd Dy General Manager (Personnel), Singareni Collieries Co Ltd and member of All India Coal Pensioners Association (AICPA) called on Sri Perala Mohan Garu, PA to Smt Nirmala Sitharaman, Hon'ble Minister for Finance, Govt of India. He handed over a representation signed by Sri PK Singh Rathor, Convenor AIACE/AICPA and requested him to kindly place this representation for her kind perusal for revision of pension to coal employees. The letter to Smt Nirmala Sitharaman is given below:-

Dated 22 / 6 / 2024

To
Hon'ble Smt. Nirmala Seetharaman ji,
Honourable Minister of Finance,
Government of India,
New Delhi

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Hon'ble Madam,

We, on behalf of All India Coal Pensioners Association (AICPA) extend you our best wishes on assuming charge of Minister of Finance & Corporate Affairs.

We are an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We have also a sister association namely All India Association of Coal Executives (AIACE), in which executive employees of CIL and SCCL are included as members. Last, but not the least, we also have under our umbrella, the dependent spouse(s) of our deceased colleagues who are honoured in our body as Associates.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life.

The coal pensioners are covered under Coal Mines Pension Scheme called CMPS-1998. This scheme was notified on 31st March 1998, and presently approximately 6 lakhs pensioners are receiving pension under the scheme. For providing pension, fund is generated out of earnings from a corpus which is created out of contribution of working employees.

It is projected that gross mismanagement of Fund has led to erosion of initial corpus. In 2017, Parliamentary Accounts Committee (PAC) report had pointed out several irregularities and mismanagement of corpus fund and asked government for remedial measures and restructuring which was agreed by Government in 2019. However, it is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation. This is to reiterate that, pension once fixed, has remained constant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is apprehended that, officials at coal ministry, though convinced for pension revision are unable for an early resolution in absence of proper direction from various wings of government.

We shall be highly obliged to you for extending support to our cause and use your good office for resolving this critical issue by taking up with the coal minister as poor pensioners are on the verge of starvation with the present pension amount.

With Regards,

P K SINGH RATHOR
Convenor, AIACE/AICPA

India's industrial heritage was built upon indigenous coal. 75% of electricity produced in the country is from Thermal Power plants and these plants use COAL as input for generating electricity. Such is the importance of coal sector in lighting up the lives of the people. But the lives of the employees who worked for extraction of coal are still hanging in darkness. Particularly the lives of retired coal employees are vulnerable. They remain aloof from the concept of social security, which forms the core of the welfare state. Retired coal employees are eligible for pension the rate of which is to be revised for every 3 years as per CMPS 1998. This revision is expected to offset the impact of inflation. But since inception of CMPS 1998, the pension was not revised once. Some of the retired employees under the pension scheme are receiving as less as ₹1000 per month. The Medical and insurance facilities provided to the retired employees do not meet the current needs of the employees. Central Government has promoted the idea of "Atmanirbhar Bharat" which means self reliance in all aspects of Governance. Now the retired coal employees are demanding periodic revision of pension to achieve that Atmanirbharta. Even the employees staged dharna on multiple occasions to demonstrate the injustice met to them. It is highly essential that the authorities look into the sufferings of the retired coal employees and formulate policies for the welfare of the employees. We hope that Government of India stands with retired coal employees (Sabka saath) and fulfill our demands (Sabka Vikas) and instill confidence in it's citizens (Sabka Vishwas).</p> <p>Thanking you sir,</p> <p>With regards,  DANDAMRAJ RAMCHANDER RAO PRESIDENT Email: lalliram.sindhu@gmail.com Copy submitted to: Shri Eatala Rajender ji, Honourable Member of Parliament, Medchal Malkajigiri Constituency, Hyderabad - for his kind intervention.</p>

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.
https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year. In view of these stated facts, we request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

With Regards,

P K SINGH RATHOR
Convener, AIACE/AICPA

Sub: Request for resolving issues in CMPS-1998 in the light of UPS and to enhance pension to coal sector retirees

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

We welcome the recent decision of Union Government for announcing UPS for 23 lakhs union government employees. (vide PIB Release ID: 2048607 dated 24-8-2024).

Though, we are not beneficiaries under UPS, we feel proud that the government has largely borrowed the idea from CMPS-1998 Pension scheme, being implemented by the coal ministry This Coal Mines Pension Scheme (CMPS) 1998 was brought by NDA government under leadership of Late Atal Bihari Vajpayee j (Notified by Publication vide G.S.R. 123(E), dated 5.3.1998, published in the Gazette of India, Ext. Pt., I, Section 3(i), dated 5.3.1998). This scheme is effective wef 1/4/1994 ie for those who retires after April 1993 and had opted this scheme.

We wish to bring to your kind notice that the two pension schemes namely CMPS and UPS differ to some extent in a manner that UPS has provision of Inflation Indexation to provide dearness relief, whereas the pensioners under CMPS-1998 are deprived of it. Due to this drawback of our scheme, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is learnt that this CMPS-1998 is on way of recast. We shall be thankful to you for instructing the concerned authorities to examine and incorporate this feature of Inflation Indexation along with enhancement of payable minimum pension to Rs 10000/-

 Honourable Member Of Parliament

Respected Madam ji

Sub: Request for taking up cpensioners' issue with the coal minister for enhancement of pension to them.

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020. https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year. In view of these stated facts, we request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

With Regards,

P K SINGH RATHOR

To,
Sri G. Kishan Reddy Garu,
Hon'ble Union Minister of Coal and Mines,
Govt. of India.

Respected sir,

I am submitting herewith the representation of Sri. P K Singh Rathor, Convenor, All India Coal Pensioners' Association (AICPE), requesting for revision and enhancement of pension benefits.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.

Needless to say, that the present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. Coal India Limited (CIL) and Singareni Collieries Company limited (SCCL) are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year.

Hence, I request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

With kind regards,

Yours faithfully,

(Dr. KADIYAM KAVYA).

It is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation.
