Dear Readers,

I am glad to hand over Year -6, Volume-III of AIACE Today in your hand.

Our association is gaining strength day by day. The period for membership renewal is over and most of the members have renewed membership which shows their trust on the actions and activities of the association. In the month of November, our association organized digital life certificate generation camps for continuation of pension to coal retirees. AIACE/AICPA members have been meeting MPs and ministers and apprising them about the plight of coal pensioners. We appreciate the efforts of Andhra Pradesh and Telangana members for taking up the pension issue with the coal minister. CMPFO has also started consultation with the coal management and BOT members and some meetings have been held.

While appreciating the various efforts of Coal ministry in helping the government to fulfil its obligations committed in Parliament towards reforms in Pension scheme in coal sector, the actual implementation at ground level is very slow. Long struggle for simplification of Widow pension and its starting at Bank Level on due Intimation, CMPFO took decision to issue revised PPOs to the old pensioners mentioning the name of spouse. The name of spouse is being mentioned for the them who retiring now. The issue of Revised PPO has been plagued with various irregularities. CMPFO officials and other concerned officials from coal companies are deliberately delaying the issuance of revised PPO and causing a harassment to the elderly widows and widowers as they need to visit the old places from where the pensioners had retired and complete cumbersome process of application for starting the pension to the spouses. Our association has taken up the matter with the coal secretary.

Our association not only works for the issues of the members but also tries to bind the family members through AIACE Coal clubs running in different cities. Local coal clubs organized family get together which provided opportunity for all to interact with each other and sharing valuable information.

Lastly, wish all members, a very happy new year and hope, this year, we will be able to achieve our long pending demand of revision of pension.

Regards,

CHAPTER-II

JOURNEY OF AIACE

हम अकेले ही चले थे जानिब ए मंजिल मगर, लोग साथ आते गए और कारवाँ बनता गया....

We started alone towards the Goal, but people joined us and caravans built....

ALL INDIA ASSOCIATION OF COAL EXECUTIVES(AIACE) was formed on 16/5/2015 by Sri P K Singh Rathor, Sr Manager(IED), SECL Korba Area. He had announced on 1/5/2015 that if Coal Mines Officers Association of India (CMOAI) fails to resolve the issue of PRP and others, he would resign from CMOAI wef 16/5/2015. Sri Rathor resigned from CMOAI on 16/5/2015 as PRP and other issues of working and retired executives were not resolved. With the consent of like-minded officers of SECL Korba Area and support from other executives from CIL/SCCL, it was announced regarding formation of new association of working and retired coal executives named AIACE.

Sri Rathor made first visit to Asansol in first week of June and visited some of areas of ECL and met with many executives to explain the compelling situation for formation of AIACE. In fact, executives of ECL field became the nucleus of AIACE and they readily formed the Asansol Branch of AIACE.

The story of AIACE, Asansol branch is very unique and most unforgettable. A meeting on 6th June, 2015 was planned in CMPDIL, RI-I club that day and due permission was obtained from RD, RI-I, Asansol unit. All the arrangements like seating arrangements, banner placements, dias arrangements were done. About 20 to 25 members turned up for the meeting but in the last moment, we were denied permission for the meeting due to excessive pressure from CMOAI, ECL HQ to foil the meeting.

But we succeeded in arranging a small meeting at Shristinagar, Asansol where 5 to 6 members turned up.

It is worth to recall that our Convenor Sri P K Singh Rathor had told the then RD, RI-I of CMPDIL, Asansol to wait for 5 years to see the impact of AIACE. Today the AIACE, Asansol team is doing excellently and most powerful Branch having highest membership strength .This was possible only due to the joint efforts of all the members.

After that Sri Rathor had toured Dhanabad, Ranchi, Delhi, Patna, Bhubneshwar, Nagpur, Talcher, Sambalpur, Kothagudem (Telangana), Varanasi, Mumbai, Bangalore, Singrauli, Durgapur, Chandrapur and other places.

The association was registered under The Trade Union Act with Chhatisgarh Govt and the registration no is 546 dated 24/5/2016. It has got permanent account no. (PAN) with no. as AAEEA7978E. The registration and permanent account numbers, an association must have for collecting any subscription from members, otherwise the collection of any amount may be treated as illegal.

In the last 6 years, AIACE conducted meetings each in Kolkata, Asansol, Dhanabad, Ranchi, Delhi, Bilaspur, Bengaluru, Nagpur, Sambalpur, Talcher, Patna, Bhubnewshar, Mandamari (SCCL), Kothagudem (SCCL), Hyderabad, Jabalpur, Mumbai, Bhopal and other smaller meetings in different areas of Coal India and Singreni collieries from time to time.

AIACE has charted out core issues concerning working and retired executives of CIL and SCCL. Its representatives are meeting parliamentarians, state legislators and govt officials for pressing their issues for solution.

It is working over one major issue for enhancement of pension. Coal pensioners are apprehending that they may not get pension in future, if something concrete is not done at the moment. The working executives and employees will be the worst sufferer if the issue of pension is not addressed properly.

Letter No. 2024_AICPA_CENTRAL_Hyderabad_A_

Dated_18-11-2024

To

The Hon'ble Sri Ramasahayam Raghuram Reddy Garu
Member of Parliament,
Khammam Lok Sabha Constituency,
Telangana

Sub: Request to take up the issue of coal pensioners with the Minister of Coal so that their pension can be enhanced

Hon'ble Sir,

We represent the All India Coal Pensioners Association (AICPA), an association of serving and retired coal officers and employees of Coal India Limited and Singareni Collieries Company Limited. We work closely with our sister association, namely All India Association of Coal Executives (AICE), which comprises serving and retired officers belonging to CIL and SCCL and their widowed spouses as members.

These coal sector employees are covered under the pension scheme called CMPS-1998, and the fund management is done by CMPFO under the Ministry of Coal, Govt. of India. This CMPS-1998 scheme has been the subject of criticism and scrutiny, as is evident from the 12th Report No. 2193 of the Public Accounts Committee (PAC) presented in Parliament on March 18, 2020.

https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

The CMPS-1998 was notified on March 31, 1998, and the drawback of this scheme is that once the pension is fixed, it remains stagnant for years despite the provision for review of the scheme every three years and enhancement of pension.

It is to bring to your notice that many pensioners are getting less than Rs 1000 per month despite working in dirty environments for long hours to meet the energy needs of the country. Even the highest Board level and below Board level officials, who retired prior to 2007, are receiving meagre pensions, which are inadequate to lead a comfortable life. For Singareni Collieries Company Limited, the situation is even worse as the pensioners living outside the coalfield area are deprived of any medical benefits after retirement.

The present growth of the coal industry is mainly due to the conservation of coal reserves, which was carefully done by the same employees who are currently pensioners. CIL and SCCL are unable to help these retired employees, who are now pensioners, as they do not have the authority to handle and disburse pensions. It is a bitter truth that past decisions and present indecision have made the increase in pension for the pensioners a nightmare and a distant dream, as many elderly pensioners depart for heavenly abode every year. In view of these facts, we request your intervention in the matter so that the pension of these pensioners may be revised and increased by the concerned authorities without any further delay. We request to apprise Hon'ble Union Coal Minister to find an amicable solution to this complex issue.

Regards,

P K SINGH RATHOR

Convenor, AIACE/AICPA

Today, on 22nd June, 2024, in Narsapuram, Andhra Pradesh, Sri RCV Raju, Retd Dy General Manager (Personnel), Singareni Collieries Co Ltd and member of All India Coal Pensioners Association (AICPA) called on Sri Perala Mohan Garu, PA to Smt Nirmala Sitharaman, Hon'ble Minister for Finance, Govt of India. He handed over a representation signed by Sri PK Singh Rathor, Convenor AIACE/AICPA and requested him to kindly place this representation for her kind perusal for revision of pension to coal employees. The letter to Smt Nirmala Sitharaman is given below:-

To
Hon'ble Smt. Nirmala Seetharaman ji,
Honourable Minister of Finance,
Government of India,

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Hon'ble Madam,

We, on behalf of All India Coal Pensioners Association (AICPA) extend you our best wishes on assuming charge of Minister of Finance & Corporate Affairs.

We are an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We have also a sister association namely All India Association of Coal Executives (AIACE), in which executive employees of CIL and SCCL are included as members. Last, but not the least, we also have under our umbrella, the dependent spouse(s) of our deceased colleagues who are honoured in our body as Associates.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life.

The coal pensioners are covered under Coal Mines Pension Scheme called CMP5-1998. This scheme was notified on 31st March 1998, and presently approximately 6 lakhs pensioners are receiving pension under the scheme. For providing pension, fund is generated out of earnings from a corpus which is created out of contribution of working employees.

It is projected that gross mismanagement of Fund has led to erosion of initial corpus. In 2017, Parliamentary Accounts Committee (PAC) report had pointed out several irregularities and mismanagement of corpus fund and asked government for remedial measures and restructuring which was agreed by Government in 2019. However, it is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation. This is to reiterate that, pension once fixed, has remained constant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is apprehended that, officials at coal ministry, though convinced for pension revision are unable for an early resolution in absence of proper direction from various wings of government.

We shall be highly obliged to you for extending support to our cause and use your good office for resolving this critical issue by taking up with the coal minister as poor pensioners are on the verge of starvation with the present pension amount.

Convenor, AIACE/AICPA

To
Shri Gangapuram Kishan Reddy ji
Honourable Minister for Coal and Mines
Government of India
New Delhi-110001.

Respected Sir,

Sub: Appeal for Review and Revision / Enhancement of Coal Mines Pension Scheme 1998 -Reg.

I take the pleasure in extending my heartfelt congratulations on your assuming office as Minister of Coal.

For and on behalf of the Retired Employees / Pensioners of the Coal Industry, the undersigned have the Honour before your Good Office and craving Liberty to invoke your kind attention and justice on the following within the Socio-economic perspective and Ambit of Coal Mining Industry and having attachment with Sweating Coal Employees. 55% of our country's energy needs are fulfilled by coal sector. India's industrial heritage was built upon indigenous coal. 75% of electricity produced in the country is from Thermal Power plants and these plants use COAL as input for generating electricity. Such is the importance of coal sector in lighting up the lives of the people. But the lives of the employees who worked for extraction of coal are still hanging in darkness. Particularly the lives of retired coal employees are vulnerable. They remain aloof from the concept of social security, which forms the core of the welfare state. Retired coal employees are eligible for pension the rate of which is to be revised for every 3 years as per CMPS 1998. This revision is expected to offset the impact of inflation. But since inception of CMPS 1998, the pension was not revised once. Some of the retired employees under the pension scheme are receiving as less as ₹1000 per month. The Medical and Insurance facilities provided to the retired employees do not meet the current needs of the employees. Central Government has promoted the idea of "Atmanirbhar Bharat" which means self reliance in all aspects of Governance. Now the retired coal employees are demanding periodic revision of pension to achieve that Atmanirbharta. Even the retired employees staged dharna on multiple occasions to demonstrate the injustice met to them. It is highly essential that the authorities look into the sufferings of the retired coal employees and formulate policies for the welfare of the employees. We hope that Government of India stands with retired coal employees (Sabka saath) and fulfill our demands (Sabka Vikas) and instill confidence in it's citizens (Sabka Vishwas).

Thanking you sir,

With regards
DANDAMRAJ RAMCHANDER RAO

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.
https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year. In view of these stated facts, we request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

With Regards,

P K SINGH RATHOR

Sub: Request for resolving issues in CMPS-1998 in the light of UPS and to enhance pension to coal sector retirees

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

We welcome the recent decision of Union Government for announcing UPS for 23 lakhs union government employees. (vide PIB Release ID: 2048607 dated 24-8-2024).

Though, we are not beneficiaries under UPS, we feel proud that the government has largely borrowed the idea from CMPS-1998 Pension scheme, being implemented by the coal ministry. This Coal Mines Pension Scheme (CMPS) 1998 was brought by NDA government under leadership of Late Atal Bihari Vajpayee J (Notified by Publication vide G.S.R. 123(E), dated 5.3.1998, published in the Gazette of India, Ext. Pt., I, Section 3(i), dated 5.3.1998). This scheme is effective wef 1/4/1994 ie for those who retires after April 1993 and had opted this scheme.

We wish to bring to your kind notice that the two pension schemes namely CMPS and UPS differ to some extent in a manner that UPS has provision of Inflation Indexation to provide dearness relief, whereas the pensioners under CMPS-1998 are deprived of it. Due to this drawback of our scheme, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is learnt that this CMPS-1998 is on way of recast. We shall be thankful to you for instructing the concerned authorities to examine and incorporate this feature of Inflation Indexation along with enhancement of payable minimum pension to Rs 10000/-

Respected sir,

I am submitting herewith the representation of Sri. P K Singh Rathor, Convenor, All India Coal Pensioners' Association (AICPE), requesting for revision and enhancement of pension benefits.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. Hence, I request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

Sub: Request for resolving issues in CMPS-1998 in the light of UPS and to enhance pension to coal sector retirees

Encl: A study titled "Coal Miners' Pension – Tragedy & Remedy

Appendix**COAL MINERS' PENSION – TRAGEDY & REMEDY****PREAMBLE**

Coal Industry in India is recognised for its valuable contribution towards fulfilling primary energy needs of the country. Apart from its hazardous nature of work, it differs from other industries in the sense that its future growth is largely dependent on present day scientific mining and conservation of coal reserves. Public Sector Enterprises (PSEs) have struggled a lot to put the coal industry in track after its nationalization. Non-revision of pension speaks poor of coal industry and younger generation tend to avoid this sector.

LAUNCH OF PENSION SCHEME

Prior to independence on 15th August 1947, Coal mining in India was entirely under private sector. In the year 1948, Govt. of India, enacted Coal Mines Provident Fund Organization (CMPFO) to provide one-time post-retirement benefits, in the form of Provident Fund, to workers of coal industry. Presently, CMPFO is under administrative control of Coal Ministry. Scope of CMPFO was enlarged in 1971, under CMFPS-1971, to ensure pension to family of coal workers in case of demise during employment. In a revolutionary step, Pension for organized Industrial Workers were also allowed with its introduction in coal sector in 1998 by Vajpayee government. This was termed as (Contributory) Coal Mines Pension Scheme -1998 (CMPS-1998). It came into effect on 31st March, 1998 vide Notification No. G.S.R. 123 (E) dated. 5th March, 1998. It allowed membership from 1st April, 1994 and covers employees of CIL, SCCL, TISCO and Pvt mines.

SALIENT FEATURES OF PENSION SCHEME

Corpus for paying pension is created from,

- (i) Equal contribution by employee & employer, (Rate of contribution to Pension fund varied in 1971, 1998 & 2017)
- (ii) Government contribution @1.67% of employee basic pay (Max. 1600)
- (iii) Voluntary contribution of Welfare cess collected @Rs 10 per tonne of coal produced by PSU coal companies CIL & SCCL

Earnings on Corpus was envisaged to be utilized in paying pension. The pension is fixed based on last pay drawn and pension remains constant throughout the life of pensioner as, in spite of provisions, no review/revision since 1998 has been done. It is to be noted that, many are getting below pension below Rs.1000 p.m.

REASONS FOR STAGNANT PENSION

Part – I : Role of Actuarial Reports

An actuary is a professional who specializes in assessing and managing the financial risks associated with pension funds and insurance plans and determining whether funding is sufficient to meet pension obligations. After the implementation of the scheme in the year 1998, the actuarial valuation of the pension fund was to be done every 3 years but it has been done only in 2001, 2005, 2012 and 2013 but the recommendations were never implemented. Actuary has prepared need based interim reports and blames CMPFO for incomplete data. Actuaries' reports discuss 2 types of profits and losses, (i) "Notional" and (ii) Actual. "Notional" means imaginary and actual profit and loss is meant to explain the financial position. Projecting notional profit and loss and actual profit and loss gives pension fund investors a fair idea of the performance of their investments.

Part – II : Reasons Highlighted by CAG/PAC Reports

In Part I of the 12th report of Public Accounts Committee (PAC) No. 2193 report, under Section III.1.8 Net Deficit of CMPFO, the statement of Coal ministry is stated as under "There is no net deficit in Coal Mines Provident Fund Organization at the end of December 2019, only actuarial (notional) deficit exists."

(https://164.100.47.193/lsscommittee/Public%20Accounts/17_Public_Accounts_12.pdf)

In Part II of the 12th report of PAC No. 2193 report, under **Restructuring of Coal Mines Pension Scheme**, it is mentioned that, *"The Committee strongly express the need for undertaking a review exercise of the existing Pension scheme. It is imperative to revamp the scheme so as to enable in payments being commensurate with the contributions received. The Ministry in this regard is needed to guide CMPFO in strengthening the fund through appropriate measures/amendments."*

https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf#search=coal%20ministry%20Public%20Accounts%20Committee

The same report contains Action Taken by the Government on the Observations/Recommendations of the Committee and it is stated that, *"For the sustainability of fund, Ministry is working on multipronged strategy viz. capping of maximum pension, extension of period for arriving average salary for fixation of pension and appointment of actuary to suggest further measure for sustainability of fund."*

Findings of CAG report which are accepted by government in Parliament in 2019 can be summarized as:

- i) Stringent Internal Audit
- ii) Element of Transparency- Single Instrument
- iii) Restructuring of CMPS-1998
- iv) Regular Appointment of Actuary

STATUS OF REFORMS

So far, lack of appropriate measures have prevented speedy implementation on suggestions contained in this PAC report. Even pensioners have failed to draw government's attention for intervention. INFLATION AND PROPOSED PENSION ENHANCEMENT BY LINKING IT WITH CPI

Under pension scheme governed by CMPS-1998, amount of pension once fixed remains unchanged throughout the life of a pensioner. As such, effect of inflation of rupee over the years is not added to this pension amount, and the handsome pension fixed in the beginning loses its money value considerably over the years.

The inflation rate in India between 1995 and 2022 was 460.53%, as per data available at <https://www.inflationtool.com/indianrupee?amount=100&year1=1998&year2=2022&frequency=yearly>.

This means that 100 rupees in 1995 are equivalent to 560.53 rupees in 2022. The average annual inflation rate between these periods was 6.59%, where in 1995 CPI was 25.4 which changed to 142.37 in 2022.

Hence, it is proposed to provide relief to existing surviving pensioners at a rate of 6.59% of pension being drawn for every year of survival.

AVG. PENSION PER PENSIONER PER MONTH

Yearly outflow in 2021-22, (Rs. in crore)	4449.74
No. of Total pensioners in 2021-22 (Nos.)	606666
Avg pension per person per month at CPI=142.37	Rs 6100
In 1994-95 (Rs) at CPI= 25.4, Rs 6100 is equivalent to	Rs 1100

That means, a surviving pensioner of 1994-95 getting a stagnant pension of Rs 1100 pm, needs Rs 6100-Rs 1100= Rs 5000 pm. for 100% neutralization of inflation.

So, for all the surviving pensioners since 1994-95, this will require Rs 405 Cr per annum (less than 10% of pension outflow in 2021-22).

EXPLANATION OF ABOVE TABLE FOR ESTIMATING SURVIVING PENSIONERS IN 2021-22:

In 2021-22, No. of pensioners = 6.06 lakhs (approx.) which include pensioners surviving pensioners over the years since 1994-1995.

Considering the mortality rate among elders in India, the above Table is obtained.

(vide <https://www.statista.com/statistics/1302846/india-mortality-rate-among-elderly-by-age-group/>)

Thus, in the year 1994-1995, there were estimated 5000 (Column-6), out of which at an age of 85 years in 2021-22, a total of 50 pensioners (Column-7) are estimated to be estimated to be alive 27 years after 1994-95, considering a mortality rate of 99%.

Thereafter, next year in 1995-96, 330 pensioners were added and with respective mortality rate of 98% at an age of 86 years in 2020-21, there are 7 pensioners estimated to be alive 26 years after 1995-96.

Similarly, surviving pensioners for all the subsequent years till 2021-22 have been estimated.

ASSESSMENT OF FUND AVAILABILITY FOR INTRODUCING PENSION ENHANCEMENT

This additional requirement of fund of Rs 405 crores can be had by one of the following ways:

- 1) Levying welfare cess on per tonne selling price of coal by CIL and SCCL, or
- 2) CIL and SCCL can earmark nominal percentage of profit before tax
- 3) Strengthening corpus fund whose investment will return a minimum Rs 405 crores

1) Levying welfare cess

Coal Production of CIL in 2020-21 was 754 Million Tonne

Cess generated by levy of Rs 10 per tonne of coal, Rs 754 Crore per year which is more than required Rs 405 crores

NOTE - Four of the Electricity Discom companies are levying a cess of 3.8% on consumers to strengthen the pension fund. This step has been upheld by Delhi High Court in 2020.

2) Earmarking nominal percentage of profit before tax

CIL and SCCL can earmark nominal percentage of profit before tax for the pension fund on the lines of post-retirement medical scheme CPRMSE (guidelines of DPE).

Net Profit of CIL during last 5 years (Rs. Crores):	
Financial Year	Net Profit
2023-2024	37,402
2022-2023	31,173
2021-2022	17,378
2020-2021	12,702
2019-2020	16,700

3) Strengthening the corpus fund**(i) Actual increment in place of Notional increment of employees**

In place of Notional increment, let CIL and SCCL transfer the actual annual increment of employees year on year from 1/7/95 to 30/9/2017 on actual basis. This could fetch more than Rs 10000 crore which may strengthen pension fund.

(ii) Transfer of 9.84% of salary of on roll non-executive employees (as on 31-12-2006) to CMPS-1998 corpus fund

It is suggested that matching 9.84% of salary of non-executive employees, who were on roll of the company as on 31/12/2006, be earmarked and transferred to CMPS-1998 corpus fund. This will add another Rs 20000 crore to CMPS-1998 corpus fund for ensuring sustainability.

(iii) Executives joining on or after 1-1-2007 be allowed only New Pension Scheme with liabilities removed from CMPS-1998

- Apart from pension under CMPS-1998, w.e.f. 1.1.2007 the Executives are covered by pension under NPS (with 9.84 % of salary as superannuation benefit). This NPS corpus is more than 2000 cr.
- This fund towards those in-service members, who have joined CIL/SCCL and other involved organizations before 31/12/2006, could be transferred to CMPS-1998.

Comment: *As per CMPF Act & CMPS-1998, this may not be possible as it is mandatory for every employee to be covered by CMPS-1998. Since NPS is part of Executive Pay Revision approved by the President of India such discrimination may not be possible.*

(iv) Utilization of Suspense account fund blocked due to non-settlement of pension

- Out of available pension fund corpus, about 3%-5% unclaimed amount is remaining idle
- Due to cumbersome process for starting widow pension, more than 10% spouses could not claim their legitimate CMPS pension
- Moreover, in Suspense account, due to non-settlement of pension, more than Rs 2000 crore is lying idle with CMPFO. It can be also utilized

(v) Transfer of CMPF trust fund to CIL and SCCL to be managed by themselves which will minimize expenses on Administrative charges

It is suggested to transfer of CMPF trust fund to CIL and SCCL to be managed by themselves which will minimize expenses on Administrative charges. This is another viable option as these companies can manage this fund.

(vi) Contractor workers with ensured minimum wages be mandatorily covered under CMPS-1998

Real count of contractor workers should be taken and they should be mandatorily covered under CMPS-1998. Minimum wages should be as per High power committee recommendations.

All these suggested measures could yield a one-time increase of pension fund by Rs 30000 crores from the present Rs 13000 crores.

CONCLUSION

This is merely a study to examine the feasibility of pension enhancement. Our assumed figures for pension enhancement is, in no way connected to our conclusions. These values, including arrear payment, if any, can be decided scientifically at a later stage. Certainly, necessary urgent reforms are required to overhaul the ministry's approach, prioritize the welfare of retired coal miners, and ensure that their rightful pension benefits are promptly and fairly revised. It is a pity that, pensioners in coal sector are not asking for any mercy but, requesting compensating the loss of corpus and rightful returns out of their own contributions as per CMPS-1998 scheme's commitments which have been betrayed.

Sub: Request to take up the issue of coal pensioners with the Minister of Coal so that their pension can be enhanced

Hon'ble Sir,

We represent the All India Coal Pensioners Association (AICPA), an association of serving and retired coal officers and employees of Coal India Limited and Singareni Collieries Company Limited. We work closely with our sister association, namely All India Association of Coal Executives (AICE), which comprises serving and retired officers belonging to CIL and SCCL and their widowed spouses as members.

These coal sector employees are covered under the pension scheme called CMPS-1998, and the fund management is done by CMPFO under the Ministry of Coal, Govt. of India. This CMPS-1998 scheme has been the subject of criticism and scrutiny, as is evident from the 12th Report No. 2193 of the Public Accounts Committee (PAC) presented in Parliament on March 18, 2020.

(https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf)

The CMPS-1998 was notified on March 31, 1998, and the drawback of this scheme is that once the pension is fixed, it remains stagnant for years despite the provision for review of the scheme every three years and enhancement of pension.

It is to bring to your notice that many pensioners are getting less than Rs 1000 per month despite working in dirty environments for long hours to meet the energy needs of the country. Even the highest Board level and below Board level officials, who retired prior to 2007, are receiving meagre pensions, which are inadequate to lead a comfortable life. For Singareni Collieries Company Limited, the situation is even worse as the pensioners living outside the coalfield area are deprived of any medical benefits after retirement.

The present growth of the coal industry is mainly due to the conservation of coal reserves, which was carefully done by the same employees who are currently pensioners. CIL and SCCL are unable to help these retired employees, who are now pensioners, as they do not have the authority to handle and disburse pensions. It is a bitter truth that past decisions and present indecision have made the increase in pension for the pensioners a nightmare and a distant dream, as many elderly pensioners depart for heavenly abode every year. In view of these facts, we request your intervention in the matter so that the pension of these pensioners may be revised and increased by the concerned authorities without any further delay. We request to apprise Hon'ble Union Coal Minister to find an amicable solution to this complex issue.

Letter No. AICPA/HYDERABAD /2024/022

Dated 19th December, 2024

To
Hon'ble Smt. Draupadi Murmu ji,
President of India.

Sub: Plight of coal pensioners and enhancement of pension to retirees under CMPS-1998

Respected Madam,

It is a matter of joy that the Government is working round-the-clock for all around growth of this nation and, in the process, has done miracles to eradicate misery in the life of countrymen. Emboldened with this proactive determination of the Government, we wish to highlight one sector which needs immediate reforms.

To introduce ourselves, we represent serving and retired coal executives and employees of Coal India and Singreni Collieries.

The coal retirees are struggling for years for revision and enhancement of pension to them and waiting to see the dawn of their future.

We want to draw your attention towards the plight of pensioners of Coal India, Singreni collieries and other companies covered under CMPS-1998 and administered by Coal Mines Provident Fund Organization (CMPFO) under the administrative Ministry of Coal.

The PAC attached to the ministry of coal had submitted certain suggestions vide https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf. It has been heard that, in line with the report of PAC attached to coal ministry, steps are underway for addressing the aspirations and demand of the pensioners but the progress is very slow and no visible action is seen.

Appropriate advice to executive machinery is requested from the highest office of the country for taking speedy action on our problems as every day pensioners are leaving this earth for heavenly abode having waited so long to reap the benefit of pension revision.

Hope, our concerns will be taken care of and enhancement of pension under CMPS1998 is done.

Thanking you,

Yours sincerely,

P.K.SINGH RATHOR
