

CHAPTER-VIII

AIACE-AICPA PENSION MEMORANDUMS

Today, on 22nd June, 2024, in Narsapuram, Andhra Pradesh, Sri RCV Raju, Retd Dy General Manager (Personnel), Singareni Collieries Co Ltd and member of All India Coal Pensioners Association (AICPA) called on Sri Perala Mohan Garu, PA to Smt Nirmala Sitharaman, Hon'ble Minister for Finance, Govt of India. He handed over a representation signed by Sri PK Singh Rathor, Convenor AIACE/AICPA and requested him to kindly place this representation for her kind perusal for revision of pension to coal employees. The letter to Smt Nirmala Sitharaman is given below:-

2024_AICPA_CENTRAL_007

Dated 22/6/2024

To
Hon'ble Smt. Nirmala Seetharaman ji,
Honourable Minister of Finance,
Government of India,
New Delhi

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them.

Hon'ble Madam,

We, on behalf of All India Coal Pensioners Association (AICPA) extend you our best wishes on assuming charge of Minister of Finance & Corporate Affairs.

We are an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We have also a sister association namely All India Association of Coal Executives (AIACE), in which executive employees of CIL and SCCL are included as members. Last, but not the least, we also have under our umbrella, the dependent spouse(s) of our deceased colleagues who are honoured in our body as Associates.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life.

The coal pensioners are covered under Coal Mines Pension Scheme called CMPSP-1998. This scheme was notified on 31st March 1998, and presently approximately 6 lakhs pensioners are receiving pension under the scheme. For providing pension, fund is generated out of earnings from a corpus which is created out of contribution of working employees.

It is projected that gross mismanagement of Fund has led to erosion of initial corpus. In 2017, Parliamentary Accounts Committee (PAC) report had pointed out several irregularities and mismanagement of corpus fund and asked government for remedial measures and restructuring which was agreed by Government in 2019. However, it is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation. This is to reiterate that, pension once fixed, has remained constant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is apprehended that, officials at coal ministry, though convinced for pension revision are unable for an early resolution in absence of proper direction from various wings of government.

We shall be highly obliged to you for extending support to our cause and use your good office for resolving this critical issue by taking up with the coal minister as poor pensioners are on the verge of starvation with the present pension amount.

With Regards,

P K SINGH RATHOR
Convenor, AIACE/AICPA

On 22nd June, 2024, in Bhimavaram, Andhra Pradesh, Sri RCV Raju, Retd Dy General Manager (Personnel), Singareni Collieries Co Ltd and member of All India Coal Pensioners Association (AICPA) called on Sri Bhupathiraju Srivasa Varma Garu, Union Minister of State for Ministry of Heavy Industries, Govt of India, and handed over a representation from AIACE/AICPA requesting him to forward the representation to Sri G Kishan Reddy Garu Union Minister Ministry of Coal for revision of CMPS 1998. Copy of the letter to Sri Varma is given below:-

दि. 22 जून 2024 को, भीमावरम, आंध्र प्रदेश में, श्री आरसीवी राजू, सेवानिवृत्त उप महाप्रबंधक (कार्मिक), सिंगरेनी कोलियरीज कंपनी लिमिटेड और ऑल इंडिया कोल पेंशनर्स एसोसिएशन (एआईसीपीए) के सदस्य ने श्री भूपतिराजू श्रीवास वर्मा गारू, केंद्रीय राज्य मंत्री, भारी उद्योग मंत्रालय, भारत सरकार, से मुलाकात की और एआईसीपीए/एआईसीपीए की ओर से एक प्रतिनिधित्व सौंपा, जिसमें सीएमपीएस 1998 में संशोधन के लिए श्री जी किशन रेड्डी गारू, केंद्रीय कोयला मंत्री, को प्रतिनिधित्व अग्रेषित करने का अनुरोध किया गया। श्री वर्मा को लिखे पत्र की प्रति नीचे दी गई है:-

2024_AICPA_CENTRAL_006

Laxminarayana Jasanthi Kumar</p>	<p>Hyderabad Dated: 11-06-2024.</p> <p>To Shri Gangapuram Kishan Reddy ji Honourable Minister for Coal and Mines Government of India New Delhi-110001.</p> <p>Respected Sir,</p> <p>Sub: Appeal for Review and Revision / Enhancement of Coal Mines Pension Scheme 1998 -Reg.</p> <p>I take the pleasure in extending my heartfelt congratulations on your assuming office as Minister of Coal.</p> <p>For and on behalf of the Retired Employees / Pensioners of the Coal Industry, the undersigned have the Honour before your Good Office and craving Liberty to invoke your kind attention and Justice on the following within the Socio-economic perspective and Ambit of Coal Mining Industry and having attachment with Sweating Coal Employees:- 55% of our country's energy needs are fulfilled by coal sector. India's industrial heritage was built upon indigenous coal. 75% of electricity produced in the country is from Thermal Power plants and these plants use COAL as input for generating electricity. Such is the importance of coal sector in lighting up the lives of the people. But the lives of the employees who worked for extraction of coal are still hanging in darkness. Particularly the lives of retired coal employees are vulnerable. They remain aloof from the concept of social security, which forms the core of the welfare state. Retired coal employees are eligible for pension the rate of which is to be revised for every 3 years as per CMPS 1998. This revision is expected to offset the impact of inflation. But since inception of CMPS 1998, the pension was not revised once. Some of the retired employees under the pension scheme are receiving as less as ₹1000 per month. The Medical and insurance facilities provided to the retired employees do not meet the current needs of the employees. Central Government has promoted the idea of "Atmanirbhar Bharat" which means self-reliance in all aspects of Governance. Now the retired coal employees are demanding periodic revision of pension to achieve that Atmanirbharta. Even the retired employees staged dharna on multiple occasions to demonstrate the injustice met to them. It is highly essential that the authorities look into the sufferings of the retired coal employees and formulate policies for the welfare of the employees. We hope that Government of India stands with retired coal employees (Sabka saath) and fulfill our demands (Sabka Vikas) and instill confidence in it's citizens (Sabka Vishwas).</p> <p>Thanking you sir.</p> <p>With regards,  DANDAMRAJ RAMCHANDER RAO PRESIDENT Email: lalliram.sindhu@gmail.com Copy submitted to: Shri Eatata Rajender ji, Honourable Member of Parliament, Medchal Malkajigiri Constituency, Hyderabad - for his kind intervention.</p>

Ref No. AIACE/CENTRAL / 054

Dated: 6th July, 2024

To
 Hon'ble Sri Tokhan Sahu Jy,
 Hon'ble Minister of State for Housing And Urban Affairs,
 Government of India,
 New Delhi

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Hon'ble Sir-

We, on behalf of All India Association of Coal Executives (AIACE) extend our best wishes on assuming charge of Minister Of State for Housing And Urban Affairs.

We are an association of serving and retired coal executives and employees of Coal India Ltd and Singheri Collieries Co Ltd, in which executive employees of CIL and SCEL are included as members. Last, but not the least, we also have under our umbrella, the dependent spouse(s) of our deceased colleagues who are honoured in our body as Associates.

It is brought to your kind notice that many pensioners are getting less than Rs. 2000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life.

The coal pensioners are covered under Coal Mines Pension Scheme called CMPS-1998. This scheme was notified on 15th March 1998, and presently approximately 6 lakh pensioners are receiving pension under the scheme. For providing pension, fund is generated out of savings from a corpus which is created out of contribution of working employees.

It is projected that gross mismanagement of Fund has led to erosion of initial corpus. In 2017, Parliamentary Accounts Committee (PAC) report had pointed out several irregularities and mismanagement of corpus fund and asked government for remedial measures and restructuring which was agreed by Government in 2018. However, it is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation. This is to reiterate that, pension once fixed, has remained constant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is apprehended that, officials at coal ministry, though convinced for pension revision are unable for an early resolution in absence of proper direction from various wings of government.

We shall be highly obliged to you for extending support to our cause and use your good offices for resolving this critical issue by taking up with the coal minister as poor pensioners are on the verge of starvation with the present pension amount.

With Regards,

P. K. SINGH RATHOR
 Provincial General Secretary

A Delegation of AIACE led by Sri P K Singh Rathor, Convenor, AIACE/AICPA met Sri Tokhan Sahu, Hon'ble Minister of State, Urban Development (Standing at centre on above 2 photographs), and handed him a memorandum for taking up with Hon'ble Union Minister for Coal, the vexing issue of Pension to retirees from coal sector. (Letter reproduced below)

The members in the delegation comprised of (from Left to Right) Dr A. M. MOHAN, President, Bilaspur Branch, Sri P K Singh Rathor, Convenor AIACE/AICPA, Sri Sri S C Sinha, Jt. General Secretary, Bilaspur Branch, Sri P K Sharan, Executive Committee member, Bilaspur Branch

Submission of our representation on pension enhancement issue by a team of AIACE/AICPA Hyderabad Branch members, to Shri Bandi Sanjay Kumar ji, Honourable Union Minister of State for Home Affairs, Karimnagar Loksabha Constituency, (Telengana State)at his own residence in Karimnagar on 14-8-2024.

2024_AICPA_CENTRAL_021

Dated: 13th August, 2024

To
Shri Bandi Sanjay Kumar ji,
Honourable Union Minister of State for Home Affairs,
Karimnagar Loksabha Constituency,
(Telengana State)

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.
[https://sparill.nic.in/bitstream/123456789/809294/1/17_Public Accounts_36.pdf](https://sparill.nic.in/bitstream/123456789/809294/1/17_Public%20Accounts_36.pdf)

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year. In view of these stated facts, we request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

With Regards,

P K SINGH RATHOR
Convener, AIACE/AICPA

On 28th August, 2024, a representation from AICPA addressed to Sri G. K. Reddy, Hon'ble Union Minister for Coal, signed by Sri PK Singh Rathor, Convenor AICPA, for enhancement of pension under CMPS-1998, was handed over to Sri Ch Vidyasagar Rao Garu, Former Governor of Maharashtra, by Sri PB Rayanna, Retd. AGM (E&M), SCCL in Hyderabad with a request to forward this in person to Hon'ble Coal Minister. Content of the letter is as reproduced here:

To
 Hon'ble Sri G. Kishan Reddy ji,
 Union Minister for Coal,
 Government of India,
 New Delhi

Sub: Request for resolving issues in CMPS-1998 in the light of UPS and to enhance pension to coal sector retirees

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCL are included as members.

We welcome the recent decision of Union Government for announcing UPS for 23 lakhs union government employees. (vide PIB Release ID: 2048607 dated 24-8-2024).

Though, we are not beneficiaries under UPS, we feel proud that the government has largely borrowed the idea from CMPS-1998 Pension scheme, being implemented by the coal ministry This Coal Mines Pension Scheme (CMPS) 1998 was brought by NDA government under leadership of Late Atal Bihari Vajpayee j (Notified by Publication vide G.S.R. 123(E), dated 5.3.1998, published in the Gazette of India, Ext. Pt., I, Section 3(i), dated 5.3.1998). This scheme is effective wef 1/4/1994 ie for those who retires after April 1993 and had opted this scheme.

We wish to bring to your kind notice that the two pension schemes namely CMPS and UPS differ to some extent in a manner that UPS has provision of Inflation Indexation to provide dearness relief, whereas the pensioners under CMPS-1998 are deprived of it. Due to this drawback of our scheme, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is learnt that this CMPS-1998 is on way of recast. We shall be thankful to you for instructing the concerned authorities to examine and incorporate this feature of Inflation Indexation along with enhancement of payable minimum pension to Rs 10000/-

With Regards,

P K SINGH RATHOR
 Convenor, AIACE/AICPA

Sri P K Singh Rathor, Convenor, All India Coal Pensioners' Association (AICPE), has written a letter to Dr Kadiyam Kavya ji, Honourable Member of Parliament Warangal Lok Sabha constituency requesting her intervention into the problems being faced by retired coal miners. He has requested the Honourable MP to take up this issue with the Union Coal Minister.

On advise of AICPA Hyderabad branch convenor Dandamraj Ramchander Rao, the Singareni pensioners residing at Warangal. Yerram Damodar, Ch Madhava Rao Nampally P Sambaiiah, Ch Satyanarayana, N Damodar, P Laxma Reddy, G Venkateswarlu and Gollapally Komuraiah submitted the petition to Dr Kadiyam Kavya ji, Honourable Member of Parliament Warangal constituency at her own residency Hanmakonda. She has assured to take up with Hon'ble Coal Minister Sri G Kishan Reddy immediately.

To,
Sri G. Kishan Reddy Garu,
Hon'ble Union Minister of Coal and Mines,
Govt. of India

Respected sir,

I am submitting herewith the representation of Sri. P K Singh Rathor, Convenor, All India Coal Pensioners' Association (AICPE), requesting for revision and enhancement of pension benefits.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.

Needless to say, that the present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. Coal India Limited (CIL) and Singareni Collieries Company limited (SCCL) are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year.

Hence, I request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

With kind regards,

Yours faithfully,

(Dr. KADIYAM KAVYA)

आल इंडिया कोल पेंशनर्स एसोसिएशन (एआईसीपीए) के संयोजक श्री पी के सिंह राठौर ने पेड्डापल्ली लोकसभा क्षेत्र के माननीय सांसद श्री गद्दाम वामसी कृष्णा जी को एक पत्र लिखकर सेवानिवृत्त कोयला खनिकों की समस्याओं में हस्तक्षेप करने का अनुरोध किया है। उन्होंने माननीय सांसद से कोयला कर्मचारियों के लिए पेंशन बढ़ाने और सिंगरेनी सेवानिवृत्त कर्मचारियों को मुफ्त असीमित चिकित्सा सुविधाएं प्रदान करने के इस मुद्दे को केंद्रीय कोयला मंत्री के समक्ष उठाने का अनुरोध किया है।

एआईसीपीए हैदराबाद शाखा के संयोजक दंडमराज रामचंद्र राव ने आज 20-9-2024 को माननीय सांसद श्री गद्दाम वामसी कृष्णा जी को उनके बेगमपेट कार्यालय, हैदराबाद में याचिका सौंपी। माननीय सांसद ने तुरंत जवाब दिया और कहा कि पेंशन के मामलों को कोयला और खान मंत्री श्री जी किशन रेड्डी जी को अवगत करा दिया गया है और आश्वासन दिया कि वह संसद के आगामी शीतकालीन सत्र में इस मुद्दे पर सरकार का ध्यान आकर्षित करेंगे। पत्र की सामग्री यहाँ प्रस्तुत है:

Sri P K Singh Rathor, Convenor, All India Coal Pensioners' Association (AICPA), has written a letter to Shri Gaddam Vamsi Krishna ji, Honourable Member of Parliament of Peddapally Lokasabha Constituency, requesting his intervention into the problems being faced by retired coal miners. He has requested the Honourable MP to take up this issue of enhancement of pension for coal employees and for providing free unlimited medical facilities to Singareni retired employees, with the Union Coal Minister.

AICPA Hyderabad Branch Convener Dandamraj Ramchander Rao has submitted the petition today on 20-9-2024 to Shri Gaddam Vamsi Krishna ji, Hon'ble MP at his Begumpet office, Hyderabad. Hon'ble MP immediately responded and said pension matters have been apprised to Coal & Mines Minister Shri G Kishan Reddy ji and assured that he will draw the attention of the government onto this issue in the upcoming winter session of the Parliament.

Shri Gaddam Vamsi Krishna ji,
Honourable Member of Parliament
Peddapally Lokasabha Constituency
(Telengana State)

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.
https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

It is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

For this act of your kindness for extending support to our struggle for enhanced pension, we shall remain highly obliged to you.

With Regards,

P K SINGH RATHOR
Convenor, AIACE/AICPA

To
 Hon'ble Sri G. Kishan Reddy ji,
 Union Minister for Coal,
 Government of India,
 New Delhi

Sub: Request for resolving issues in CMPS-1998 in the light of UPS and to enhance pension to coal sector retirees

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

We welcome the recent decision of Union Government for announcing UPS for 23 lakhs union government employees. (vide PIB Release ID: 2048607 dated 24-8-2024).

Though, we are not beneficiaries under UPS, we feel proud that the government has largely borrowed the idea from CMPS-1998 Pension scheme, being implemented by the coal ministry This Coal Mines Pension Scheme (CMPS) 1998 was brought by NDA government under leadership of Late Atal Bihari Vajpayee j (Notified by Publication vide G.S.R. 123(E), dated 5.3.1998, published in the Gazette of India, Ext. Pt., I, Section 3(i), dated 5.3.1998). This scheme is effective wef 1/4/1994 ie for those who retires after April 1993 and had opted this scheme.

We wish to bring to your kind notice that the two pension schemes namely CMPS and UPS differ to some extent in a manner that UPS has provision of Inflation Indexation to provide dearness relief, whereas the pensioners under CMPS-1998 are deprived of it. Due to this drawback of our scheme, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is learnt that this CMPS-1998 is on way of recast. We shall be thankful to you for instructing the concerned authorities to examine and incorporate this feature of Inflation Indexation along with enhancement of payable minimum pension to Rs 10000/- We may be permitted to submit a study prepared by us which speaks of the problem and its diagnosis for your kind perusal.

With Regards,

P K SINGH RATHOR

Encl: A study titled "Coal Miners' Pension – Tragedy & Remedy"

Appendix**COAL MINERS' PENSION – TRAGEDY & REMEDY****PREAMBLE**

Coal Industry in India is recognised for its valuable contribution towards fulfilling primary energy needs of the country. Apart from its hazardous nature of work, it differs from other industries in the sense that its future growth is largely dependent on present day scientific mining and conservation of coal reserves. Public Sector Enterprises (PSEs) have struggled a lot to put the coal industry in track after its nationalization. Non-revision of pension speaks poor of coal industry and younger generation tend to avoid this sector.

LAUNCH OF PENSION SCHEME

Prior to independence on 15th August 1947, Coal mining in India was entirely under private sector. In the year 1948, Govt. of India, enacted Coal Mines Provident Fund Organization (CMPFO) to provide one-time post-retirement benefits, in the form of Provident Fund, to workers of coal industry. Presently, CMPFO is under administrative control of Coal Ministry. Scope of CMPFO was enlarged in 1971, under CMFPS-1971, to ensure pension to family of coal workers in case of demise during employment. In a revolutionary step, Pension for organized Industrial Workers were also allowed with its introduction in coal sector in 1998 by Vajpayee government. This was termed as (Contributory) Coal Mines Pension Scheme -1998 (CMPS-1998). It came into effect on 31st March, 1998 vide Notification No. G.S.R. 123 (E) dated. 5th March, 1998. It allowed membership from 1st April, 1994 and covers employees of CIL, SCCL, TISCO and Pvt mines.

SALIENT FEATURES OF PENSION SCHEME

Corpus for paying pension is created from,

- (i) Equal contribution by employee & employer, (Rate of contribution to Pension fund varied in 1971, 1998 & 2017)
- (ii) Government contribution @1.67% of employee basic pay (Max. 1600)
- (iii) Voluntary contribution of Welfare cess collected @Rs 10 per tonne of coal produced by PSU coal companies CIL & SCCL

Earnings on Corpus was envisaged to be utilized in paying pension. The pension is fixed based on last pay drawn and pension remains constant throughout the life of pensioner as, in spite of provisions, no review/revision since 1998 has been done. It is to be noted that, many are getting below pension below Rs.1000 p.m.

REASONS FOR STAGNANT PENSION**Part – I : Role of Actuarial Reports**

An actuary is a professional who specializes in assessing and managing the financial risks associated with pension funds and insurance plans and determining whether funding is sufficient to meet pension obligations. After the implementation of the scheme in the year 1998, the actuarial valuation of the pension fund was to be done every 3 years but it has been done only in 2001, 2005, 2012 and 2013 but the recommendations were never implemented. Actuary has prepared need based interim reports and blames CMPFO for incomplete data. Actuaries' reports discuss 2 types of profits and losses, (i) "Notional" and (ii) Actual. "Notional" means imaginary and actual profit and loss is meant to explain the financial position. Projecting notional profit and loss and actual profit and loss gives pension fund investors a fair idea of the performance of their investments.

Part – II : Reasons Highlighted by CAG/PAC Reports

In Part I of the 12th report of Public Accounts Committee (PAC) No. 2193 report, under Section III.1.8 Net Deficit of CMPFO, the statement of Coal ministry is stated as under "There is no net deficit in Coal Mines Provident Fund Organization at the end of December 2019, only actuarial (notional) deficit exists."

(https://164.100.47.193/lsscommittee/Public%20Accounts/17_Public_Accounts_12.pdf)

In Part II of the 12th report of PAC No. 2193 report, under **Restructuring of Coal Mines Pension Scheme**, it is mentioned that, *"The Committee strongly express the need for undertaking a review exercise of the existing Pension scheme. It is imperative to revamp the scheme so as to enable in payments being commensurate with the contributions received. The Ministry in this regard is needed to guide CMPFO in strengthening the fund through appropriate measures/amendments."*

https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf#search=coal%20ministry%20Public%20Accounts%20Committee

The same report contains Action Taken by the Government on the Observations/Recommendations of the Committee and it is stated that, *"For the sustainability of fund, Ministry is working on multipronged strategy viz. capping of maximum pension, extension of period for arriving average salary for fixation of pension and appointment of actuary to suggest further measure for sustainability of fund."*

Findings of CAG report which are accepted by government in Parliament in 2019 can be summarized as:

- i) Stringent Internal Audit
- ii) Element of Transparency- Single Instrument

- iii) Restructuring of CMPS-1998
- iv) Regular Appointment of Actuary

STATUS OF REFORMS

So far, lack of appropriate measures have prevented speedy implementation on suggestions contained in this PAC report. Even pensioners have failed to draw government's attention for intervention. For obtaining speedy resolution, in a parallel move, Federation of Retired Employees Association & Others, approached Supreme Court vide W.P. 88 of 2015 from where the case got transferred to Delhi High Court vide W.P.(C) 3118/2015 and is still undecided.

REQUIRED REFORMS BASED ON CAG REPORT AND UPS:

- i) Immediate Restructuring of present CMPS-1998 with a better scheme
- ii) Immediate review and enhancement of pension linked with Dearness Relief (DR)
- iii) If needed, compulsory welfare cess of 1% on selling price of coal
- iv) Expansion of CMPF Trustee Board to include Persons who are Investment experts.
- v) Coal Ministry officials are given free hand to overrule BoT obstructions.
- vi) To ensure Actuary report every 3 years

REFORMS IN OTHER SECTOR AND COMPARISON OF FEATURES

Features	Unified Pension Scheme (UPS)	CMPS-1998
Type	Hybrid (Defined Benefit + Defined Contribution)	Hybrid (Defined Benefit + Defined Contribution)
Pension Guarantee	Employees will receive 50 per cent of their average basic pay from the 12 months before retirement as their pension.	Employees will receive 25 per cent of their average emoluments (ie. Basic + DA) from the 10 months before retirement as their pension, in full, if completed service is 30 years.
Minimum Pension	For those with a shorter service period, UPS guarantees a minimum pension of Rs 10,000 per month.	No such guaranteed minimum pension, but, being notified to be as Rs 1000 per month
Family Pension	60% of the employee's pension upon their death	60% of the employee's pension upon their death
Disablement Pension	No Provision	After 10 years of pensionable service, will get pension @ 25% of average emoluments or a minimum of Rs.350 p.m.
Children Pension	No provision	Along with widow/widower, 2 of the eldest sons or unmarried daughters will be entitled to children pension @ 25% of Widow/widower pension till they attain the age of 25 years.
Lump Sum Payments	In addition to gratuity, UPS provides a lump sum payment at	CMPS includes a provision for the General Provident Fund (GPF), where

Features	Unified Pension Scheme (UPS)	CMPS-1998
	retirement. For every six months of service, employees receive 1/10th of their monthly salary (pay + DA) as a one-time payment.	employees can contribute a portion of their salary, which is then returned with interest at the time of retirement.
Regulated by	Supported and Regulated by Government.	Supported and Regulated by CMPS Trust
Investment Options	Equity (E), Corporate Debt (C), and Government Securities (G), AIF, REITs, InvITs, etc.	Not specified
Contributions	Employees contribute 10% of their salary, while the government contributes 18.5%	From 1-10-2017, (i) 7% (Earlier 2%) of the employee's basic salary plus Dearness Allowance (DA) is deducted for the pension fund. (ii) Matching contribution from Employer is also added. (iii) Government adds 1.67 % of Basic salary (Max. Basic Salary Rs.1600). (iv) Welfare cess by CIL and SCCL at the rate of Rs 10 per tonne on selling price of coal is levied.
Protection against Inflation	UPS includes inflation indexation, similar to dearness allowance, to adjust assured pension, family pension, and minimum pension according to inflation rates.	CMPS-1998 does not have a feature of Inflation indexation like UPS.

INFLATION AND PROPOSED PENSION ENHANCEMENT BY LINKING IT WITH CPI

Under pension scheme governed by CMPS-1998, amount of pension once fixed remains unchanged throughout the life of a pensioner. As such, effect of inflation of rupee over the years is not added to this pension amount, and the handsome pension fixed in the beginning loses its money value considerably over the years.

The inflation rate in India between 1995 and 2022 was 460.53%, as per data available at <https://www.inflationtool.com/indianrupee?amount=100&year1=1998&year2=2022&frequency=yearly>.

This means that 100 rupees in 1995 are equivalent to 560.53 rupees in 2022. The average annual inflation rate between these periods was 6.59%, where in 1995 CPI was 25.4 which changed to 142.37 in 2022.

Hence, it is proposed to provide relief to existing surviving pensioners at a rate of 6.59% of pension being drawn for every year of survival.

AVG. PENSION PER PENSIONER PER MONTH

Yearly outflow in 2021-22, (Rs. in crore)	4449.74
No. of Total pensioners in 2021-22 (Nos.)	606666
Avg pension per person per month at CPI=142.37	Rs 6100
In 1994-95 (Rs) at CPI= 25.4, Rs 6100 is equivalent to	Rs 1100

That means, a surviving pensioner of 1994-95 getting a stagnant pension of Rs 1100 pm, needs Rs 6100-Rs 1100= Rs 5000 pm. for 100% neutralization of inflation.

So, for all the surviving pensioners since 1994-95, this will require Rs 405 Cr per annum (less than 10% of pension outflow in 2021-22).

PENSIONERS SURVIVING IN 2021-22 AND FUND ESTIMATION FOR ADMISSIBLE RELIEF

Estimation of Pensioners Surviving in 2021-22 and Fund estimation for Admissible relief per pensioner per month

2021-2022	0	60	----	606000				405

EXPLANATION OF ABOVE TABLE FOR ESTIMATING SURVIVING PENSIONERS IN 2021-22:

In 2021-22, No. of pensioners = 6.06 lakhs (approx.) which include pensioners surviving pensioners over the years since 1994-1995.

Considering the mortality rate among elders in India, the above Table is obtained.

(vide <https://www.statista.com/statistics/1302846/india-mortality-rate-among-elderly-by-age-group/>)

Thus, in the year 1994-1995, there were estimated 5000 (Column-6), out of which at an age of 85 years in 2021-22, a total of 50 pensioners (Column-7) are estimated to be estimated to be alive 27 years after 1994-95, considering a mortality rate of 99%.

Thereafter, next year in 1995-96, 330 pensioners were added and with respective mortality rate of 98% at an age of 86 years in 2020-21, there are 7 pensioners estimated to be alive 26 years after 1995-96.

Similarly, surviving pensioners for all the subsequent years till 2021-22 have been estimated.

ASSESSMENT OF FUND AVAILABILITY FOR INTRODUCING PENSION ENHANCEMENT

This additional requirement of fund of Rs 405 crores can be had by one of the following ways:

- 1) Levying welfare cess on per tonne selling price of coal by CIL and SCCL, or

- 2) CIL and SCCL can earmark nominal percentage of profit before tax
- 3) Strengthening corpus fund whose investment will return a minimum Rs 405 crores

1) Levying welfare cess

Coal Production of CIL in 2020-21 was 754 Million Tonne

Cess generated by levy of Rs 10 per tonne of coal, Rs 754 Crore per year which is more than required Rs 405 crores

NOTE - Four of the Electricity Discom companies are levying a cess of 3.8% on consumers to strengthen the pension fund. This step has been upheld by Delhi High Court in 2020.

2) Earmarking nominal percentage of profit before tax

CIL and SCCL can earmark nominal percentage of profit before tax for the pension fund on the lines of post-retirement medical scheme CPRMSE (guidelines of DPE).

Net Profit of CIL during last 5 years (Rs. Crores):	
Financial Year	Net Profit
2023-2024	37,402
2022-2023	31,173
2021-2022	17,378
2020-2021	12,702
2019-2020	16,700

3) Strengthening the corpus fund

(i) Actual increment in place of Notional increment of employees

In place of Notional increment, let CIL and SCCL transfer the actual annual increment of employees year on year from 1/7/95 to 30/9/2017 on actual basis. This could fetch more than Rs 10000 crore which may strengthen pension fund.

(ii) Transfer of 9.84% of salary of on roll non-executive employees (as on 31-12-2006) to CMPS-1998 corpus fund

It is suggested that matching 9.84% of salary of non-executive employees, who were on roll of the company as on 31/12/2006, be earmarked and transferred to CMPS-1998 corpus fund. This will add another Rs 20000 crore to CMPS-1998 corpus fund for ensuring sustainability.

(iii) Executives joining on or after 1-1-2007 be allowed only New Pension Scheme with liabilities removed from CMPS-1998

- Apart from pension under CMPS-1998, w.e.f. 1.1.2007 the Executives are covered by pension under NPS (with 9.84 % of salary as superannuation benefit). This NPS corpus is more than 2000 cr.

-
- This fund towards those in-service members, who have joined CIL/SCCL and other involved organizations before 31/12/2006, could be transferred to CMPS-1998.

Comment: As per CMPF Act & CMPS-1998, this may not be possible as it is mandatory for every employee to be covered by CMPS-1998. Since NPS is part of Executive Pay Revision approved by the President of India such discrimination may not be possible.

(iv) Utilization of Suspense account fund blocked due to non-settlement of pension

- Out of available pension fund corpus, about 3%-5% unclaimed amount is remaining idle
- Due to cumbersome process for starting widow pension, more than 10% spouses could not claim their legitimate CMPS pension
- Moreover, in Suspense account, due to non-settlement of pension, more than Rs 2000 crore is lying idle with CMPFO. It can be also utilized

(v) Transfer of CMPF trust fund to CIL and SCCL to be managed by themselves which will minimize expenses on Administrative charges

It is suggested to transfer of CMPF trust fund to CIL and SCCL to be managed by themselves which will minimize expenses on Administrative charges. This is another viable option as these companies can manage this fund.

(vi) Contractor workers with ensured minimum wages be mandatorily covered under CMPS-1998

Real count of contractor workers should be taken and they should be mandatorily covered under CMPS-1998. Minimum wages should be as per High power committee recommendations.

All these suggested measures could yield a one-time increase of pension fund by Rs 30000 crores from the present Rs 13000 crores.

CONCLUSION

This is merely a study to examine the feasibility of pension enhancement. Our assumed figures for pension enhancement is, in no way connected to our conclusions. These values, including arrear payment, if any, can be decided scientifically at a later stage. Certainly, necessary urgent reforms are required to overhaul the ministry's approach, prioritize the welfare of retired coal miners, and ensure that their rightful pension benefits are promptly and fairly revised. It is a pity that, pensioners in coal sector are not asking for any mercy but, requesting compensating the loss of corpus and rightful returns out of their own contributions as per CMPS-1998 scheme's commitments which have been betrayed.

On 18-11-2024, a delegation of AICPA and Singareni Retired Welfare Association called on Hon'ble Sri Ramasahayam Raghuram Reddy Garu, Member of Parliament, Khammam Lok Sabha Constituency, (Telangana) and submitted a petition signed by Convenor of All India Coal Pensioners Association Shri PK Singh Rathore and President of Singareni Retired Welfare Association Shri Dandamraj Ramchander Rao, Mr. Godavarthy Murali, as well as L Y. Ismail, former secretary of TUC, and members Naredla Satyanarayana, Waheed, Srinivas.

Hon'ble MP promptly responded and assured that he would intervene and support to

enhance the pension rate. Also, he remarked that the Coal Miners throughout India have been subjected to undue tragedy due to negligence of concerned authorities.

Content of the letter is as reproduced here in Annexure.

Letter No. 2024_AICPA_CENTRAL_Hyderabad_A

Dated_18-11-2024

To
 The Hon'ble Sri Ramasahayam Raghuram Reddy Garu
 Member of Parliament,
 Khammam Lok Sabha Constituency,
 Telangana

Sub: Request to take up the issue of coal pensioners with the Minister of Coal so that their pension can be enhanced

Hon'ble Sir,

We represent the All India Coal Pensioners Association (AICPA), an association of serving and retired coal officers and employees of Coal India Limited and Singareni Collieries Company Limited. We work closely with our sister association, namely All India Association of Coal Executives (AICE), which comprises serving and retired officers belonging to CIL and SCCL and their widowed spouses as members.

These coal sector employees are covered under the pension scheme called CMPS-1998, and the fund management is done by CMPFO under the Ministry of Coal, Govt. of India. This CMPS-1998 scheme has been the subject of criticism and scrutiny, as is evident from the 12th Report No. 2193 of the Public Accounts Committee (PAC) presented in Parliament on March 18, 2020.

(https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf)

The CMPS-1998 was notified on March 31, 1998, and the drawback of this scheme is that once the pension is fixed, it remains stagnant for years despite the provision for review of the scheme every three years and enhancement of pension.

It is to bring to your notice that many pensioners are getting less than Rs 1000 per month despite working in dirty environments for long hours to meet the energy needs of the country. Even the highest Board level and below Board level officials, who retired prior to 2007, are receiving meagre pensions, which are inadequate to lead a comfortable life. For Singareni Collieries Company Limited, the situation is even worse as the pensioners living outside the coalfield area are deprived of any medical benefits after retirement.

The present growth of the coal industry is mainly due to the conservation of coal reserves, which was carefully done by the same employees who are currently pensioners. CIL and SCCL are unable to help these retired employees, who are now pensioners, as they do not have the authority to handle and disburse pensions. It is a bitter truth that past decisions and present indecision have made the increase in pension for the pensioners a nightmare and a distant dream, as many elderly pensioners depart for heavenly abode every year. In view of these facts, we request your intervention in the matter so that the pension of these pensioners may be revised and increased by the concerned authorities without any further delay. We request to apprise Hon'ble Union Coal Minister to find an amicable solution to this complex issue.

Regards,

P K SINGH RATHOR

Letter No. AICPA/HYDERABAD /2024/022

Dated 19th December, 2024

To
Hon'ble Smt. Draupadi Murmu ji,
President of India.

Sub: Plight of coal pensioners and enhancement of pension to retirees under CMPS-1998

Respected Madam,

It is a matter of joy that the Government is working round-the-clock for all around growth of this nation and, in the process, has done miracles to eradicate misery in the life of countrymen. Emboldened with this proactive determination of the Government, we wish to highlight one sector which needs immediate reforms.

To introduce ourselves, we represent serving and retired coal executives and employees of Coal India and Singreni Collieries.

The coal retirees are struggling for years for revision and enhancement of pension to them and waiting to see the dawn of their future.

We want to draw your attention towards the plight of pensioners of Coal India, Singreni collieries and other companies covered under CMPS-1998 and administered by Coal Mines Provident Fund Organization (CMPFO) under the administrative Ministry of Coal.

The PAC attached to the ministry of coal had submitted certain suggestions vide https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf. It has been heard that, in line with the report of PAC attached to coal ministry, steps are underway for addressing the aspirations and demand of the pensioners but the progress is very slow and no visible action is seen.

Appropriate advice to executive machinery is requested from the highest office of the country for taking speedy action on our problems as every day pensioners are leaving this earth for heavenly abode having waited so long to reap the benefit of pension revision.

Hope, our concerns will be taken care of and enhancement of pension under CMPS1998 is done.

Thanking you,

Yours sincerely,

P.K.SINGH RATHOR

The Secretary, Ministry of Coal – cum – Chairman, BoT, CMPFO
Government of India,
New Delhi.

Sub: Compulsion to adopt Agitational path over Delaying tactics by holding series of Fruitless meetings on Enhancement of Pension under CMPS-1998

Dear Sir,

It is to recall that AIACE/AICPA representatives had a meeting in Shasti Bhavan on 31-1-2024 on the invitation of by Sri V K Mishra, Commissioner, CMPFO in reference to our dharna call at Jantar- Mantar, New Delhi vide letter no. 2024-AICPA/CENTRAL/002 dt. 17-1-2024 for revision of pension under CMPS-1998 and for identifying the culprits for Fund mismanagement.

In the meeting, our suggestions were duly listened and we understood that the Ministry of Coal was, in principle, is agreeable to take needful action for revision of pension.

The suggestions put forward by us were appreciated and for gathering more suggestions, a follow-up meeting was proposed at Bilaspur, (CG), sometime in March, 2024. But, this meeting could not happen.

It is learnt that, a series of meetings are being held to discuss steps for Sustainability of Pension Fund and enhancement of Pension under CMPS-1998. The latest is going to be held on 17-1-2025 vide Annexure-I.

Observing the developments emerging out of these proceedings, it is our firm belief, that all these meetings are nothing but eyewash and there is no intention of achieving the goal of Sustainability of Pension Fund & Enhancement of pension thereof.

It is to say that about 100 MPs and some of the central ministers of Govt of India have advocated our issue and forwarded our representation to the coal minister.

Under the circumstances, we are left with no other option but to resort to Agitational path in the form of demonstration, dharna, sit on indefinite hunger strike and other Gandhian ways to achieve the demand.

With Regards,

P. K. Singh Rathor

All Respected Board of Trustees
Coal Mines Pension Scheme

Subject: Urgent Request for Revision and Enhancement of Pension under CMPS-1998

Respected Sir,

We the retired employees of Coal India and Singareni Collieries, humbly request that the Board of Trustees urgently address the critical situation faced by pensioners under the Coal Mines Pension Scheme (CMPS-1998). It has been 26 years since the scheme was formulated, and during this period, there has been no revision in pension entitlements, despite the scheme stipulating a review every three years. Consequently, the pension fund is now in a critical state, with many pensioners struggling to meet basic needs, and some even passing away in dire conditions.

We find it difficult to accept that the funds are insufficient, especially given the substantial profits generated from coal production by both central and state governments. A portion of these profits should be allocated to ensure the welfare of retired coal employees, providing adequate funds to sustain the pension scheme.

We urgently request your intervention to consult with the Central Government to allocate a portion of these profits, revise and increase the pensions, and secure a sustainable future for all coal pensioners. Our members are in their twilight years, and we respectfully appeal for your mercy and immediate action to improve their quality of life in their remaining time.

We look forward to your prompt response and intervention in this matter.

Sincerely,

DANDAMRAJ RAMCHANDER RAO
President

Dated: 27th/29th January, 2025

To
Dr. Kadiyam Kavya garu
Honourable Member Of Parliament
Warangal Loksabha Constituency
Telangana.

Respected Madam ji

Sub: Request for taking up pensioners' issue with the coal minister for enhancement of pension to them

We, the employees from coal sector of Coal India Ltd and Singareni Collieries Co Ltd., are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.

https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

It is a bitter truth that, past decisions and present indecisions, have made enhancement of pension a nightmare and distant dream for pensioners leading to demise of many elderly pensioners every year. Our pension formula lacks the incorporation of Dearness Relief component due to which pension amount once fixed, say, in 1998 remains constant even in 2025.

The pensioners are feeling standing in a dark tunnel wherein there is no light at the end. Reportedly, some efforts although meager, are underway but without any specified time frame, this exercise is futile as pensioners are starving day by day.

In view of these stated facts, we request your intervention in this matter so that the revision and enhancement of pension of these pensioners can be hastened without any further delay by the concerned authorities.

With Regards,

P K SINGH RATHOR
Convener, AIACE/AICPA

ALL INDIA ASSOCIATION OF COAL EXECUTIVES

ALL INDIA COAL PENSIONERS ASSOCIATION

On 07-03-2025 evening in a program held at CGO Towers, Kavadiguda, Hyderabad, a petition signed by All India Pension Association Convener PK Singh Rathore was submitted to Hon'ble Union Minister for Coal Sri G. Kishan Reddy by AICPA, Hyderabad Branch Convener Sri Dandamraj Ramchander Rao, accompanied by Shri PB Rayanna Retd. AGM(E&M), SCCL for enhancing the pension of coal employees.

Sri Reddy assured that efforts are already underway to increase the pension.

Coal India Chairman Sri PM Prasad and CMD,

Sub: Plight of coal pensioners and enhancement of pension to retirees under CMPS-1998

07-03-2025

Dear Sir,

Our Association along with All India Association of Coal Executives (AIACE) is struggling for years for revision and enhancement of pension to poor coal retirees. We are thankful to you for your past initiatives in this regard, but are pained to inform you that the desired enhancement is still a distant dream.

As you are aware, pension in Coal sector has been plagued due to corpus fund mismanagement and several other factors as highlighted in Part II, of the 12th Report of Public Accounts Committee (17 Lok Sabha)] https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf)

The existing machinery, which is responsible for present fiasco, cannot be expected to find a workable solution as some revolutionary measures are needed to end the plight of around 6 lakhs direct pensioners and about 1 crore direct/indirect dependents who are scattered all across the country after retirement.

Sir, it is to highlight that crores of rupees have been contributed by Coal India and Singreni Collieries to the central and state government and also being contributed being earned through the hard labour and untiring efforts of these pensioners who are seeing towards the govt with high hope for enhancement of pension.

The retirees from SCCL are mostly settled in Telangana and Andhra Pradesh.

It has been heard that coal ministry is in the process for amendment in the CMPS-1998 for addressing the aspirations and demand of the pensioners but the progress is very slow and no visible action is seen. The aged beneficiary pensioners are dying in numbers day by day waiting to get the benefit of pension enhancement. The surviving pensioners deserve a solution in their life-time. **Sir, you will agree that, a good rain after the crop has dried, will be meaningless.**

We on behalf of all coal pensioners request you for constituting a High Power Committee involving AICPA's representatives for the:

1. Restructuring of present CMPS-1998 with a better scheme in line with UPS.
2. Immediate review and enhancement of pension linked with Dearness Allowance (DA)
3. If needed, compulsory welfare cess on account of pension fund @ 1% on selling price of coal.
4. Expansion of CMPF, BoT Trustees to include Persons of Imminence who are Investment experts.

It is requested to take speedy action on our demand as every day pensioners are leaving this earth for heavenly abode having waited so long to reap the benefit of pension revision.

With regards,

On 12-03-2025 Peddapally MP Gaddam Vamsikrishna once again raised voice for Singareni workers in Parliament

VID-20250312-WA00
29.mp4

Singareni demanded to increase the pension of retired personnel. He said that currently workers are getting only ₹1500 under the pension scheme started by Kaka Venkataswamy 35 years ago, which is totally unfair. Workers who have provided light to the country throughout their lives have demanded from the Center that their pension should be increased immediately to ₹10,000 so that the workers can live with dignity and financial security after retirement. MP Vamsikrishna* revealed that the struggle for the rights of Singareni workers will continue and the time has come to give due respect to their sacrifice.

Copy of the petition is appended below:

07-03-2025 को पेड्डापल्ली सांसद गद्दाम वामसीकृष्ण ने एक बार फिर संसद में सिंगरेनी श्रमिकों के लिए आवाज उठाई

VID-20250312-WA00
29.mp4

सिंगरेनी ने सेवानिवृत्त कर्मियों की पेंशन बढ़ाने की मांग की. उन्होंने कहा कि 35 साल पहले काका वेंकटस्वामी द्वारा शुरू की गई पेंशन योजना के तहत श्रमिकों को वर्तमान में केवल ₹1500 मिल रहे हैं, जो पूरी तरह से अनुचित है। जीवन भर देश को रोशनी प्रदान करने वाले श्रमिकों ने केंद्र से मांग की है कि उनकी पेंशन को तुरंत बढ़ाकर ₹10,000 किया जाए ताकि कर्मचारी सेवानिवृत्ति के बाद सम्मान और वित्तीय सुरक्षा के साथ रह

सकें। सांसद वामसीकृष्ण* ने खुलासा किया कि सिंगरेनी श्रमिकों के अधिकारों के लिए संघर्ष जारी रहेगा और उनके बलिदान को उचित सम्मान देने का समय आ गया है।

(Telengana State)

Sub: Request for taking up coal pensioners' issue with the coal minister for enhancement of pension to them

Dear Sir,

We represent All India Coal Pensioners Association (AICPA), - an association of serving and retired coal executives and employees of Coal India Ltd and Singareni Collieries Co Ltd. We work hand to hand with our sister association namely All India Association of Coal Executives (AIACE), in which working and retired executives and their widow spouses, all belonging to CIL and SCCL are included as members.

These employees from coal sector are covered under a pension scheme called CMPS-1998, and the fund management is done by CMPFO under ministry of coal. This CMPS-1998 scheme has been subject to criticism and scrutiny as evident from 12th report of Public Accounts Committee (PAC) No. 2193 report presented to Parliament on 18th March, 2020.

https://eparlib.nic.in/bitstream/123456789/809294/1/17_Public_Accounts_36.pdf

CMPS-1998 was notified on 31st March 1998, and drawback of this scheme is, pension once fixed, remains stagnant over the years in spite of provision for review of scheme every three years and for enhancement of pension.

It is brought to your kind notice that many pensioners are getting less than Rs 1000/- per month in spite of working in dirty environment for long years for meeting the energy requirement of the country. Even the highest Board level and below board level executives who retired before 2007 are getting a meagre pension, insufficient to lead comfortable life. For Singareni Collieries Co Ltd, the situation is worse as pensioners living outside the coalfield area are deprived of any post-retirement medical benefits too.

It is a pity that authorities are yet to arrive at a solution and arrange for missing corpus that could have enhanced pension amount and linked it with rising inflation.

The present growth of coal industry is largely due to conservation of coal reserves meticulously carried out by the same employees who are present day pensioners. CIL and SCCL are unable to assist these retired employees, now pensioners, as they do not have authority to handle and distribute pension.

We request to apprise the Union Minister for Coal for initiating an amicable solution to this vexing issue.

For this act of your kindness for extending support to our struggle for enhanced pension, we shall remain highly obliged to you.

On 03-07-2025, Copy of a letter written by AIACE / AICPA Convener, Shri PK Singh Rathor to Smt Brar, Addl Coal Secy on feasibility of enhancing the pension being paid to coal employees, was handed over to Peddapalli MP Sri Gaddam Vamsi Krishna, by Sri Dandamraj Ramchander Rao, President of Singareni Retired Employees Welfare Association.

Mr Rao, highlighted that pensions have not been revised since the scheme's implementation, leading to difficulties for retired employees due to meager pension.

They also requested initiatives for improved medical treatment and the issuance of ration cards for employees' families.

MP Vamsi Krishna assured them that he would bring the matter to the government's attention during the upcoming monsoon session of Parliament.

Copy of the petition is appended below:

03-07-2025 को, AIACE/AICPA के संयोजक श्री पीके सिंह राठौर द्वारा कोयला कर्मचारियों को दी जा रही पेंशन बढ़ाने की व्यवहार्यता पर श्रीमती बरार, अतिरिक्त कोयला सचिव को लिखे गए पत्र की प्रति, सिंगरेनी सेवानिवृत्त कर्मचारी कल्याण संघ के अध्यक्ष श्री दंडमराज रामचंद्र राव द्वारा पेड्डापल्ली के सांसद श्री गद्दाम वामसी कृष्ण को सौंपी गई।

श्री राव ने इस बात पर प्रकाश डाला कि योजना के कार्यान्वयन के बाद से पेंशन में संशोधन नहीं किया गया है, जिससे अल्प पेंशन के कारण सेवानिवृत्त कर्मचारियों को कठिनाइयों का सामना करना पड़ रहा है।

उन्होंने बेहतर चिकित्सा उपचार और

	<p>कर्मचारियों के परिवारों के लिए राशन कार्ड जारी करने की पहल का भी अनुरोध किया।</p> <p>सांसद वामसी कृष्ण ने उन्हें आश्वासन दिया कि वे संसद के आगामी मानसून सत्र के दौरान इस मामले को सरकार के ध्यान में लाएंगे।</p> <p>पत्र की प्रतिलिपि यहां प्रस्तुत है:</p>

Sub: Submission of Studies made by AIACE on Sustainability of Pension fund for enhancing pension under CMPS-1998

Respected Madam,

We wish to recall meeting held at Shastri Bhawan on 25-2-2025 with the representatives of AIACE/AICPA with you and Ms Santosh, DDG on the issue of sustainability of fund and enhancement of pension to retirees in coal sector under CMPS-1998.

In the meeting, we had submitted a print-out of a Power Point presentation on the above issue. AIACE/AICPA Team has done exhaustive research over the sustainability of pension fund and has come out with probable solution. We wish to submit the suggestions in the form of a brief report attached as annexure with this letter.

Our observations and suggestions in the said report are contained in the following Sections & Sub-sections:-

1. ESTIMATION OF SURVIVING PENSIONERS AS IN 2024-25 FROM INCEPTION IN 1994 (Table-1)
2. PROPOSED PENSION ENHANCEMENT (Table- 2)
3. FUND AVAILABILITY FOR INTRODUCING PENSION ENHANCEMENT
 - 3.i Status of Pension fund
 - 3.ii Pension Fund flow position
 - 3.iii CMPF Subscribers and Pensioners
 - 3.iv CIL Coal Production over the years
 - 3.v Calculated Inflow per CMPF Subscriber and Outflow per Pensioner
 - 3.vi Present Average selling price of coal, Rs per tonne
 - 3.vii Proposed Welfare cess % on Average selling price of coal as, 1% of sell price
 - 3.viii Calculated Shortage/Surplus in Pension fund
4. ANALYSIS FOR FUND AVAILABILITY (Table-3)

The analysis shows that from 2049-50 onwards, Pension fund will be in surplus. It implies that enhancement in Pension is possible and Surplus in pension fund can be also advanced by increasing welfare cess.

It is requested that our proposal may kindly be got examined by the experts from coal ministry or by hiring personnel from other professional organisations or Indian Statistical Institute.

We also request to invite us to present our view to the chairman and other BOT members of CMPFO.

We are confident that our study will be accepted with slight modification.

With Regards,

P. K. Singh Rathor
Convenor, AIACE/AICPA
