Dear Readers,

I am glad to hand over the Year – 7, Volume-III, of AIACE Today in the hand of readers with commitment “AIACE will not compromise on pension justice for coal retirees, pay parity, and dignity of coal executives and employees.”

The Indian coal sector continues to remain a vital pillar of national energy security and industrial growth. The year 2025–26 has been marked by steady coal production, important policy initiatives. India’s domestic coal production has crossed the landmark level of about 1,040 million tonnes, reflecting sustained efforts by Coal India Limited (CIL), Singareni Collieries Company Limited (SCCL), and captive coal producers. Improved mine productivity, strengthened evacuation infrastructure, and focused policy initiatives have ensured adequate coal availability for the power sector and other core industries.

A major policy development in the coal sector is the proposed replacement of the Coal Mines Provident Fund and Miscellaneous Provisions Act, 1948. This long-pending reform aims to modernise provident fund and pension administration, align coal sector welfare laws with contemporary labour legislation, and strengthen governance through digital systems. AIACE welcomes this initiative but remains firm and vigilant to ensure that the interests of coal retirees are fully protected during the transition. Early enhancement of pension benefits remains a core demand. Along with AICPA, AIACE is closely watching the Government’s move to introduce the amendment Bill in the forthcoming Budget Session of Parliament. The association has made it clear that further delay is unacceptable and reserves the right to resume its movement if the Bill is not introduced at the earliest.

The implementation of CPRMS in Coal India and Singareni has shown improvement due to timely intervention by AIACE. Despite this progress, several operational issues continue to affect executives and retirees. AIACE remains engaged in constructive dialogue with management to resolve grievances and ensure smooth, transparent, and employee-friendly functioning of the system across all subsidiaries. The ongoing pay-related dispute of Coal India/SCCL executives has exposed serious anomalies in executive pay structures. AIACE is keeping a close watch on the legal developments while firmly standing by the suggestions already submitted to CIL management. The association has consistently demanded not only resolution of pay disparity with wage-board employees but also correction of anomalies among different executive grades.

There are numerous instances where junior executives are drawing higher pay and benefits than senior executives due to promotions granted in different NCWA periods. Executives promoted from non-executive to executive grades during earlier NCWA periods continue to receive lower pay despite holding higher grades. AIACE remains committed to pursuing this issue until a just, transparent, and equitable resolution is achieved.

The AIACE Central Body election held on 4th January 2026 at Bilaspur, was conducted smoothly and democratically, reflecting unity and active participation of members from across the country. The newly elected leadership has assumed responsibility with a clear roadmap focused on policy advocacy, professional development, legal awareness, member welfare, and strengthening AIACE as a credible trade union and professional platform. As AIACE moves forward, it reaffirms its commitment to integrity, professionalism, and collective progress. The association shall continue to work in the best interests of executives and employees while contributing meaningfully to the sustained growth of the coal sector and the nation’s economic development through its wings AICPA, CIEWA, Coal Clubs operating at branches and different cities. The Coal clubs organized very live programmes at Nagpur, Bilaspur, Delhi and Varanasi. Other branches are also in line to organise functions in days to come.

Happy new year 2026 and best wishes.

Regards,

P. K. Singh Rathor

CHAPTER-II

JOURNEY OF AIACE

हम अकेले ही चले थे जानिब ए मंजिल मगर, लोग साथ आते गए और कारवाँ बनता गया....

We started alone towards the Goal, but people joined us and caravans built....

ALL INDIA ASSOCIATION OF COAL EXECUTIVES(AIACE) was formed on 16/5/2015 by Sri P K Singh Rathor, Sr Manager(IED), SECL Korba Area. He had announced on 1/5/2015 that if Coal Mines Officers Association of India (CMOAI) fails to resolve the issue of PRP and others, he would resign from CMOAI wef 16/5/2015. Sri Rathor resigned from CMOAI on 16/5/2015 as PRP and other issues of working and retired executives were not resolved. With the consent of like-minded officers of SECL Korba Area and support from other executives from CIL/SCCL, it was announced regarding formation of new association of working and retired coal executives named AIACE.

Sri Rathor made first visit to Asansol in first week of June and visited some of areas of ECL and met with many executives to explain the compelling situation for formation of AIACE. In fact, executives of ECL field became the nucleus of AIACE and they readily formed the Asansol Branch of AIACE.

The story of AIACE, Asansol branch is very unique and most unforgettable. A meeting on 6th June, 2015 was planned in CMPDIL, RI-I club that day and due permission was obtained from RD, RI-I, Asansol unit. All the arrangements like seating arrangements, banner placements, dias arrangements were done. About 20 to 25 members turned up for the meeting but in the last moment, we were denied permission for the meeting due to excessive pressure from CMOAI, ECL HQ to foil the meeting.

But we succeeded in arranging a small meeting at Shristinagar, Asansol where 5 to 6 members turned up.

It is worth to recall that our Convenor Sri P K Singh Rathor had told the then RD, RI-I of CMPDIL, Asansol to wait for 5 years to see the impact of AIACE. Today the AIACE, Asansol team is doing excellently and most powerful Branch having highest membership strength. This was possible only due to the joint efforts of all the members.

After that Sri Rathor had toured Dhanabad, Ranchi, Delhi, Patna, Bhubneshwar, Nagpur, Talcher, Sambalpur, Kothagudem (Telangana), Varanasi, Mumbai, Bangalore, Singrauli, Durgapur, Chandrapur and other places.

The association was registered under The Trade Union Act with Chhatisgarh Govt and the registration no is 546 dated 24/5/2016. It has got permanent account no. (PAN) with no. as AAEEA7978E. The registration and permanent account numbers, an association must have for collecting any subscription from members, otherwise the collection of any amount may be treated as illegal.

In the last 6 years, AIACE conducted meetings each in Kolkata, Asansol, Dhanabad, Ranchi, Delhi, Bilaspur, Bengaluru ,Nagpur, Samabalpur, Talcher, Patna, Bhubnewshar, Mandamari (SCCL), Kothagudem (SCCL) , Hyderabad ,Jabalpur ,Mumbai, Bhopal and other smaller meetings in different areas of Coal India and Singreni collieries from time to time.

AIACE has charted out core issues concerning working and retired executives of CIL and SCCL. Its representatives are meeting parliamentarians. state legislators and govt officials for pressing their issues for solution.

It is working over one major issue for enhancement of pension. Coal pensioners are apprehending that they may not get pension in future, if something concrete is not done at the moment. The working executives and employees will be the worst sufferer if the issue of pension is not addressed properly.

CHAPTER-V AIACE IN ACTION

ALL INDIA ASSOCIATION OF COAL EXECUTIVES MINUTES OF MEETING ON 14TH OCTOBER 2025

A Meeting of AIACE was held on 14th October 2025 on ZOOM to discuss the provisions of the draft Coal Mines Employees' Provident Fund & Miscellaneous Bill, 2025. Dr. B.K.Srivastav Vice-President, AIACE, presided over the meeting that was attended by about 45 members.

Dr. B.K.Srivastav explained in detail the relevant provisions of the draft bill and amendments/suggestions proposed by AIACE to make the legislation beneficial to the pensioners and to strengthen the Scheme. The Bill proposes to repeal the CMPF & Miscellaneous Provisions Act, 1948 and enact a new Act by the Parliament to improve the organisational structure of CMPFO and also the Pension Scheme.

AIACE has given comments and proposed amendments to the Draft Bill and Schedule-II to include "Same Grade, Same Pension". Further, in Schedule-I, we have suggested to define "Equivalent Grade" Categories, to suitably accommodate migration to SGSP (Same Grade, Same Pension) as used in OROP (One Rank, One Pension) used for defence personnel.

Section 14 in Chapter-IV needs a change to frame the Scheme as the Coal Mines Employees Provident Fund and Pension Scheme to provide flexibility that can be strategically used to periodically revise pension factors and Dearness Relief linkage without needing full legislative amendment. This enables automatic inflation-indexing or DR adjustments.

Section 15 in Chapter-IV It is suggested to amend to cover every employee of companies (Public or Private) engaged in production, beneficiation, marketing & sales of Coal and Coal products and other minerals. This mandatory coverage expands the number of contributors. A wider pool of contributors improves fund solvency and allows actuarial capacity to provide higher periodic pension with DR. Ensuring universal coverage also helps in transparent DR application.

Section 16 in Chapter-IV needs to be changed to “The employer and employee shall contribute to the Fund at rates based on percentage basis of the salary of the individual member and such contributions shall be credited to the accounts of the employees.” The power to revise contribution rates (if required) must be spelt out and should be binding. This is critical for sustaining enhanced pension benefits and creating fiscal space for DR.

Section 17 in Chapter-IV is to be amended to “An employee may, if he so desires, contribute to the Fund more than the rate prescribed, shall do it only for Provident Fund and it will not be transferred to Pension Fund.” This allows **voluntary top-ups**, enabling members to build larger retirement corpus for Provident Fund.

Section 18 in Chapter-IV is to be amended as “All contributions paid into the Fund and any interest thereon shall be deposited in schemes aligned with inflation-indexed instruments or are Government-backed schemes with such agency or authority as may be notified by the Central Government.” Centralised deposit management facilitates efficient investment strategies. If aligned with inflation-indexed instruments or Government-backed schemes, this provides a stable revenue stream for funding.

Section 19 in Chapter-IV is to be amended as “The amount standing to the credit of a member shall be payable, within 3 months, to him / her / spouse / nominee / legal heir on the occurrence of such events like death / resignation / dismissal/ disablement etc.

This provision enables timely payouts.

Section 20 in Chapter-IV is to be amended as “A member, who subscribes to the Provident Fund, may withdraw maximum 10% of total accrued amount standing to his credit at a time, and not more than 2 times, in entire service period for specified

purposes like construction of First house, education of children, marriage of sons and daughters or immediate relative.

While withdrawal flexibility is important, frequent early withdrawals reduce the corpus available. The Scheme rules should therefore incentivize keeping funds invested until superannuation.

Section 21 in Chapter-IV is the core enabling clause for pension design. The following provisions need to be incorporated in this section.

The Scheme may provide for uniform pension revision and parity among retirees of equivalent rank or grade, commonly referred to as Same Grade, Same Pension. A Scheme framed under the provision of subsection (1) may provide for all or any of the matters provided in the Second Schedule proposed by us.

A timeline must be indicated in the act, when the CMPFO will notify, in Official Gazette, a new Coal Mines Employees' Pension Scheme. Moreover, the Act must specify Minimum payable pension linked with Dearness Relief (DR) in % of Basic pay fixed at the time of retirement.

Because the scheme is framed by notification, it gives Government and CMPFO latitude to introduce Dearness Relief (DR) or cost-of-living indexation directly within the scheme rules.

Adding an explicit sub-clause authorising periodic DR revision (tied to CPI or wage index) would institutionalise inflation protection and prevent ad-hoc increases.

Section 22 in Chapter-IV This section is vital for pension enhancement. Clause (b) explicitly allows Governmental top-ups, which can be structured as a Dynamic Government Contribution (DGC) indexed to average national wages or CPI. Such a mechanism can automatically fund periodic DR increments without separate budgetary sanction each year. Additionally, investing a part of the Fund in inflation-indexed securities will safeguard real pension value.

Section 48 in Chapter-IX: This new welfare corpus can serve as a stabilisation and dearness-relief reserve. If its utilisation rules (to be "prescribed") explicitly allow

transfers to the Pension Fund during high-inflation years, it can cushion pensioners by temporarily funding DR increases or one- time relief payments.

Section 65 in Chapter-IX: This ensures continuity of existing members' rights. To support pension enhancement, transitional rules should mandate re-calculation of pension entitlements under the new fund formula, integrating future DR provisions so that older retirees are not left out of inflation-linked adjustments.

Section 66 in Chapter-IX: The savings clause safeguards accrued benefits, but it should also explicitly state that existing pensioners will continue to receive benefits with future DR revisions notified under the new Act. Including a proviso affirming the continuity and enhancement of pension with DR linkage would prevent interpretational disputes.

After the presentation by Dr. B K Srivastav, comments were invited from the members.

1. Sri Kasi Viswanathan said that limiting the withdrawal under Section 20 to 10% of the balance is not fair as the amount may be meagre to serve the purposes such as House Building. Sri P K Singh Rathor said that such a limit is proposed as workers are being exploited by agents who encourage them to withdraw from their PF account leaving very little for their post-retirement life. Sri R A Manjunath Prasad suggested to increase the limit to 50% with a qualifying service of 15 years. Further withdrawals may be permitted once in 5 years thereafter.
2. Sri Bijon Chakraborty enquired whether loan can be availed against PF balance. It was informed to him that keeping track of loan repayment will be a complicated affair.
3. Sri R A Manjunath Prasad suggested that VRS is to be added in Section 19
4. All the members highly appreciated the excellent work done by Dr. B K Srivastav in preparing the comments and suggestions to the Draft Bill and requested to upload the same on website of AIACE.
5. Sri P K Singh Rathor said that the intention of the Ministry of Coal is clearly to improve the status of the fund and of the pensioners. This outcome is a

direct result of the persistent agitation by AIACE and the efforts of our members in approaching more than 100 MPs. He thanked all members, especially members of Kolkata Branch for the success of the Dharna held at Kolkata on 15th September 2025.

Next other matters were discussed.

1. Ministry of Coal, in conformity with the concept of Digital India, is promoting submission of Digital Life Certificate for pension and CPRMSE. Sri C L Patel informed that NCL is insisting on submission of Form B-1 for domiciliary payment under CPRMSE. Dr. B K Srivastav and Dr. A M Mohan clarified that Form B-1 need not be submitted as it has been withdrawn.
2. P.K.Singh Rathor said that DLC is prepared by some of our Branches such as Bengaluru, Asansol, etc. As per the MOU with Department of Posts, we have to pay Rs.70 per DLC and most members require 3 DLCs. Sri R A Manjunath Prasad informed that we can generate Jeevan Pramaan by using Face Recognition App on mobile phone free of cost. He was requested to prepare a training program on this subject, so that members can get their DLC.
3. Payment of Annual Fees: Members were advised that annual fees for the calendar year 2026 is to be paid from 1st November 2025 onwards. A notification will be issued and members are requested not to remit the fees till such notification is issued. After paying the fees, members should post the payment slip with membership number in the local WhatsApp group

MINUTES OF THE MEETING ON 21ST NOVEMBER 2025

A Meeting-cum-Family Get-together of AIACE, Bengaluru Branch was held on 21st November 2025 at Hotel Pai Viceroy. Sri. R.A.Manjunath Prasad, General Secretary welcomed the members and their families. Sri P K Singh Rathor, Convenor, AIACE was the Chief Guest. He was welcomed by Sri R K Chowrasia, President, Sri. R.A.Manjunath Prasad AIACE, Bengaluru Branch and Smt. Gunavati Mohan Das, Secretary, Bengaluru Coal Club.

Smt. Geetha Ramapriyan sang an invocation followed by Master Aryaman Vatsa who sang a Deshbhakti geet.

Sri Manjunath Prasad spoke about the activities and achievements of AIACE in the last few years. He informed about the public consultation invited by MOC on the draft Coal Mines Provident Fund Bill, 2025 (expected to be tabled in the Parliament during the forthcoming Winter Session). This is the result of our agitations and Dharnas held at Jantar Mantar, Varanasi, Dhanbad and Kolkata and our relentless follow-up. On behalf of the Executive Committee, he conveyed thanks to the members of Bengaluru Branch for their unstinted support.

Sri R K Chowrasia, President, AIACE, Bengaluru Branch said that with the increase in the cost of medical treatment, the limit of Rs.25 lakhs under CPRMSE may become inadequate and requested the Central Body to take up the issue for getting it increased to Rs.75 lakhs. He appealed to the members to be united to make AIACE stronger.

Sri P K Singh Rathor said that AIACE is continuously working for the welfare of its members and their problems are solved as far as possible. With

the dedication of the members “Nothing is impossible”. AIACE has grown from its humble beginning to its present stature in the last 10 years.

He proposed that 2 members of Bengaluru Branch be nominated as nodal officers for each of the empanelled hospitals to take up the issue of medical treatment with the hospitals. This will help the members and bring a sense of involvement and satisfaction by serving the society.

He informed that soft-skills training programs will be arranged online on various subjects starting with a program on “Need for making a WILL”. This program will initially be conducted for members of Bengaluru Branch.

He assured that issues concerning CPRMSE will be taken up and requested the members to post their issues in the main groups.

Dr. A K Verma and Sri B P Kesri said that since reimbursement is limited to CGHS rates and empanelled hospitals are not extending cashless treatment, empanelment of hospitals is pointless. Members should be allowed to get treatment from any NABH accredited hospital. Speaking about the recent MOU with Apollo group of hospitals, Sri K A Sundar and Sri N D Prakash stated that some of the hospitals have not yet received instructions from their principals. Sri K A Sundar also said that a few hospitals are not aware of the revision of rates by CGHS. Sri B P Kesri was of the opinion that instead of the complicated procedure under CPRMSE, Coal India should go for a tie-up with insurance companies and issue smart card that the beneficiaries can swipe at the hospitals. Sri Rathor informed that this issue was considered by CIL but due to practical issues it could not be implemented.

Digital Life Certificates were generated using Face Recognition App for members and their spouses for CMPS and CPRMSE-E. This is the seventh consecutive annual camp organised by Bengaluru Branch of AIACE to generate Digital Life Certificate (Jeevan Pramaan).

Sri Vineet Jaiswal, an active member of Bengaluru AIACE Family group thanked Sri Rathor for involving family members in the activities of AIACE. He has proposed a gettogether on 7th December 2025 and members are requested to participate in the program.

Smt. Kalarani Sudarshanan won a prize in a game conducted by Sri R A M prasad

Housie was conducted by Smt. Sudha Mohan and Sri Vineet Jaiswal

This Summit was convened at a critical time in India's energy and industrial journey, when Carbon Capture, Utilisation and Sequestration (CCUS) must become a cornerstone technology to complement renewables, hydrogen, and biofuels in the nation's Net Zero pathway.

The summit was inaugurated by distinguished speakers B K Chaturvedi IAS former Cabinet Secretary and member planning commission.

The Convenor of summit was Dr S C Sharma, Former OSD (Energy and Climate Change).

India is currently the third-largest CO₂ emitter globally, releasing approximately 2.6 gigatonnes annually. A significant share of these emissions comes from industrial processes that are difficult to electrify or abate through renewables alone. CCUS is globally recognized as a vital technology to complement renewable energy in achieving deep decarbonization. In India, it is now being prioritized through a dedicated CCUS Roadmap by the Ministry of Petroleum & Natural Gas, along with industrial leadership and key innovation hubs like Carbon Clean's Global Innovation Centre in Mumbai.

Some of the keynote speakers were Sri Shashi Shekhar, IAS, former Secretary MNRE; Sri Manu Srivastava, IAS Addl. Chief Secretary, Govt of MP and Sri MS Vartika Shukla CMD EIL.

Various technical sessions on different subjects related with creating demand for CO₂ utilisation, Carbon market and policy, Cutting edge carbon capture solutions, Oil and gas transition pathways for CCUS, Digital decarbonisation Role of AI and IOT and Sustainable investment unlocking ESG capital for net zero project.

The summit was really sea of technical knowledge on the subject.

विस्तृत चर्चा के बाद, बेंगलुरु के प्रत्येक अस्पताल के लिए नोडल अधिकारियों के नाम संलग्न सूची के अनुसार अंतिम रूप दिए गए। इनमें से किसी भी नोडल अधिकारी की अनुपस्थिति में, अन्य नोडल अधिकारी अपनी उपलब्धता और सुविधा के अनुसार किसी भी अस्पताल का दौरा कर सकते हैं। जिन सदस्यों को उनकी मदद की आवश्यकता होगी, वे उनसे संपर्क करेंगे। नोडल अधिकारी अस्पतालों से पेंडिंग बिलों की डिटेल्स भी मांग सकते हैं ताकि CIL को उन्हें क्लियर करने के लिए मनाया जा सके।

संयोजक महोदय से अनुरोध है कि वे नोडल अधिकारियों की लिस्ट CIL, सब्सिडियरी और अस्पतालों को भेजें। उनसे यह भी अनुरोध है कि वे अस्पतालों द्वारा सर्विस देने से मना करने के मामले को देखें।
