Sub:-- Coal Pensioners' Awareness programme at Korba(CG) on 10/01/2017.

Dear sir,

ALL INDIA ASSOCIATION OF COAL EXECUTIVES (AIACE) extends heartiest thanks for sharing your valuable time on 15/12/2016 with our representatives on the issue of pension and its enhancement. It is really a matter of worry and concern that pension fund is depleting very fast and time has come to think over it seriously and take appropriate action so that coal pensioners continue getting pension. This should be linked to cost index also. You may appreciate that those retiring before 1997/2007 are getting meagre amount as pension. We also seek pension for those who retired before April 1994 and are not covered under CMPS1998, though they are very less in numbers.

Kindly refer to our discussion on organising "Coal Pensioners' Awareness programme" at Korba(CG) on 10/01/2017. We are ready to organise the it at Korba where a large number of pensioners are residing in the city and nearby villages. It will benefit them as they will be provided with up to date status of pension fund, linking of pension with Adhar card and others.

We hope , 500-1000 coal pensioners may attend the programme. We will make necessary propaganda for this well in advance .The propaganda will start from 1st January onward.

We shall be thankful if a list of pensioners of Korba district is provided to us with name and address. We may approach them to participate in the programme.

Kindly confirm the date and participation of other dignitaries as discussed in the meeting so that necessary action may be taken up at our end.

Regards
