Dear Sir,

It is brought to your kind notice that data uploaded in the website of Coal India Ltd in respect of Executives Defined contributory pension scheme wef 1/1/2007. is not correct in respect of many working and retired executives like date of birth, basic pay and DA in some of the months. In case of executives, who were transfer from one area to another area/company between 2007 to 2016, data for some months are missing. It is also brought to your kind notice that executives after retirement have settled all across in the country, some in cities but some in remote places. Many retired executives are unable to access the uploaded data and so unable to make representation for its correction.

It is also submitted that decision taken on faulty data may put the working / retired executives in disadvantage which may create further litigation by affected officers.

In the light of above facts, All India Association of Coal executives(AIACE) puts following suggestions for necessary action at your end.

1. It should be ensured that data in respect of working/ retired executives be complete in all respects from January,2007 to Sept'2017 or till the month of superannuation of retired executives in number of months.
2. EIS no, date of birth etc may kindly be corrected if missing.
