Sub: Adoption of Felicitation Scheme of ONGC for retired executives/employees of Coal India Limited..

Dear Sir,

AIACE wants to draw your kind attention towards the plight of those retired executives of CIL, who retired prior to pay revision of 01/01/2007 and 1/1/1997. They are getting a very meagre and unsustainable pension. 20 years after implementing the pension scheme CMPS 1998, there was no single rupee enhancement in the pension where as there was provision to review the scheme every three years to make it sustainable in changed situation of decreased manpower strength of CIL and increased number of pensioners. We very much appreciate your efforts in taking up with the issue of NPS very seriously which will be effective from 1/1/2007 and putting the provisioned amount of individual executives on CIL website. It is expected that the scheme will take up its form very soon. But nothing is there for them who retired before 1/1/2007 and 1/1/1997

With a view to provide some financial help to the retired executives/ employees of CIL, we wish to bring to your kind notice a felicitation scheme implemented by the central PSU, ONGC for its retired employees, in recognition of their past service to the organisation which you may be aware of.

we request you to consider implementation of felicitation scheme as implemented in ONGC, favourably and take a decision at an early date.

Regards,
