Sub: - Arrears due to Executive Pay Revision wef 1/1/2017.

Dear Sir,

It is brought to your kind notice that the salary of the executives has been revised wef 1/1/2017 and serving executives are in receipt of revised salary for more than a year. They have already been paid arrear arising due to this revision. Unfortunately, the difference amounts due to this pay revision payable on account of Leave Encashment, Coal Mines Provident Fund and Coal Mines Pension Scheme has not been paid to the officers who has retired after 1<sup>st</sup> January 2017. The pension under CMPS is being paid based on pre-revised pay. Many of our members have complained that they pursued the matter in their personal capacity with respective authorities but are shocked at the intransigence and apathy displayed by the concerned officials. After putting in several decades of hard work in Coal India, these officers are being made to run from pillar to post to get their legitimate dues that are already delayed and are disturbed at the treatment meted out to them.

Sir, since you have always been receptive to the genuine demands of the executives, we make an earnest appeal to issue instructions to settle these issues in a time bound manner. We are sure that you will appreciate the difficulties being faced by retired executives, who have settled at locations far off from their last place of posting in following up their cases individually and expect a favourable response from you.

Assuring our utmost cooperation to the management,

Thanking You,

With Regards,

P K SINGH RATHOR
