Sub:-- Provision of CORRECTION Option for submitting Profile Form in relation to Executive Defined Contributory Pension Scheme, 2007 .

Dear Sir,

We appreciate the steps being taken by CIL Management for implementation of our NPS scheme and timely uploading of Profile Form for enabling executives to furnish their individual data.

This blank Profile Form is nicely devised and needs to be applauded. Allowing a time limit of 15 days for submission of this form is also commendable.

During this 15 days span, all executives (or their spouses in case of executives' death) will find it easy to understand and fill it properly. However, it would have been better to have a CORRECTION button embedded in the system so as to enable members view their entries and modify any possible errors in filling this form. This will eliminate unnecessary burden on the part of System Administrators to rectify individual errors and all can utilise this available time in rectifying/modifying their entries.

We hope this minor modification in the system can be ordered for implementation from your end without causing any undue problem to the competent Systems department under your disposal.

Regards,

P K SINGH RATHOR
