Dear Sir,

Sri R P Trehan was a coal pensioner and he died on 7/5/2018. He had retired from NCL. His wife Mrs Santosh Trehan had applied for starting pension to her as per rule and she submitted her application on 6/8/2018 at Singrauli. She was expecting, her pension would start soon. She has informed that till date, her pension has not been started. She is a very old lady of age 66.

It is regret to note that her pension has not been fixed till date even after a lapse of 4 months after submission.

It is requested to take needful action for starting her pension. It is also requested to issue a suitable advisory letter to concerned Regional Commissioner for the delay in pension fixation.
