Sub:-- Expression of Thanks for success achieved in scheduled launching of Executive Defined Contributory Pension Scheme, 2007

Dear Sir,

We whole heartedly thanks your honour and the entire team of CIL under your disposal for successfully launching the long awaited Executive Defined Contributory Pension Scheme, popularly known as NPS among Coal Indians. Our members are amazed to find you all in your success in achieving the tedious task of meeting the deadline of scheduled launch date.

We take this opportunity to highlight some of our earlier demands for the benefit of our members. It is requested to look into the following aspects of this scheme, which are briefly stated as,

- Speedy Updation and entry of missing data of executives in NPS data uploaded on the website so that pensioners are not at a disadvantage.
- A special point is to be highlighted which is that the Systems department has been unable to correctly prepare data on the accumulated fund in case of executives going on Half-pay-leave i.e. sick leave.
- Addition of interest component in the accumulated pension fund in the manner CIL has provided information in RTI query of having earned interest
- Inclusion of representatives of AIACE in the Pension trustee board.

We hope we will not be let down by lack of appropriate actions from your end.

Regards,

P K SINGH RATHOR
