Sub:-- Action solicited on Empanelment request of 2 Hospitals at Chandigarh.

Dear Sir,

CIL and its subsidiaries are extending medical facilities to the working and retired employees and their families through various medical establishments and apex hospitals in different parts of the country. This list is being continually revised regularly by inviting applications from reputed hospitals.

Keeping in mind the willingness of CIL, 2 hospitals at CHANDIGARH had applied for empanelment with CIL as per following details:

- (i) SGHS Hospitals, Sohna, Chandigarh vide their application dated 28.8.2018 in a 101-page attachment letter
- (ii) Ivy Hospital, Mohali, Chandigarh vide their application dated 4.6.2018 in a 38-page attachment letter

Their communication to CMS, CIL had all the hospital details, but unfortunately no response has been communicated to them. These hospitals are still wondering about the status of their application and are apprehensive of their future association with CIL.

It is felt that, it would have been better on the part of CIL to have at least communicated them of receipt of their applications. If there are some missing information in their documents, or if any documents have not been furnished by them, the same could have been easily communicated to them.

We have in our hand an undated and unsigned guideline, presumably issued by CIL. If any formal application in line with these specific guidelines is to be submitted, then the same may kindly be properly conveyed to these willing hospitals for compliance.

An early and prompt action is requested from your end so that, if found acceptable, these 2 hospitals may be empanelled with immediate effect to deliver medical facilities to eligible executives and employees residing in an around Chandigarh.

Regards,

P K SINGH RATHOR
Principal General Secretary

Encl:

1. Application from SGHS Hospitals, Sohna, Chandigarh
2. Application from Ivy Hospital, Mohali, Chandigarh
3. Unsigned, undated guidelines on letterhead of CIL
