Sub:-- Request for allowing Pahological and Radiological Investigations at NABL approved Laboratories

Dear Sir,

It is a pleasure that CIL has prepared a list of Empaneled Hospitals where Working and Retired employees, both executives and non-executives, are allowed to avail treatment as per rules laid down by company.

However, most of the time it becomes a hardship and financial burden on the part of beneficiaries to visit such hospitals time and again for undergoing Pathological/Radiological Investigations prescribed by them. Many a times chances are that, near their place of stay/residence, such laboratories are available who are NABL approved and willing to extend CGHS rates too to the patients.

In the light of above facts, AIACE requests for making minor amendments in Medical rules of CIL, as suggested above.

Thanking You,

(P.K.SINGH RATHOR)
Principal General Secretary
All India Association of Coal Executives (AIACE)
