Sub: Non-payment of Additional component of Interest payable to CMPF subscribers for the years 2018-19, 19-20 & 20-21 in spite of office orders

Dear Sir,

Your attention is requested to be drawn to the two letters issued by you, copies of which are enclosed in Annexures I & II.

Whereas, through the first letter dated 8th January 2021, you were kind enough to allow crediting of additional component of rate of interest payable to the CMPF subscribers for the years 2018-19, through the second office order dt. 17th December, 2021 the same for F.Y. 2019-20 & 2020-21 have been allowed for crediting after obtaining needful clearance of the government.

We have already informed you about non-implementation of the first office order for those subscribers who have superannuated after issuance of the order. Through various interactions with you, we had been assured that appropriate modalities will be soon notified for crediting the arrears of Interest soon specially for these retirees who are loser by way of gaining less amount in PF settlement due to this variation in interest.

Now, when the first order is to be fully implemented, we wonder how things will move towards implementation of this second order.

Since the financial implication of this is quite considerable from the point of view of the retired executives, many such affected members of AIACE have represented to us to take up this issue with concerned authorities.

We believe that the concerned executives must be allowed payment of arrears of interest in PF received and demand quick disbursement of this outstanding amount.

With Regards,

P.K.SINGH RATHOR
Principal General Secretary
