Sub:-- Approval for re-imbusement of Air Ambulance charge to Sri Jaganmoy Kanjilal, EIS No.- 90046335, Medical Card No. ECL/C-5(D)/CPRMSE/Admn/02/14/00881 dated 01/11/2014

Dear Sir,

Our member, Sri Jaganmoy Kanjilal , Retd. Dy. Manager (Survey), ECL, Kunustoria Area Office, residing at Raniganj, along with his wife, Smt. Madhuchanda Kanjilal were critically injured in a road accident at Shama in Uttarakhand's Bageswar district on 27/10/2021 when they were travelling to Uttarakhand from Raniganj in a Group of 30 tourists. After immediate primary treatment done in Kapkot Community Health Centtre, he was referred to District Hospital, Bageswar, and again from there, to Dr. Susheela Tiwari Govt. Hospital, Haldwani, Dist. Nainital.

The injury demanded his stay in that hospital at Haldwani for a longer period of about 4 months along with attendant to look after him regularly. It was not possible for him to arrange attendant and manage stay for such a longer period for obvious reasons.

The local administration, doctors and government of Uttarakhand realized Kanjilals' inability to afford such a treatment without any helping hands / friends / relatives/ attendants, and arranged their air lifting by the air ambulance company Aircab Aviation Pvt. Ltd., to Durgapur which is near their hometown, for better and affordable treatment. He and his wife were admitted to Mission Hospital, Durgapur where they availed cashless treatment and recovered in 2 weeks.

It is submitted that, whereas the treatment has been availed on cashless basis, the cost incurred towards air-lifting these ambulatory patients is a cause of concern and need a humanitarian consideration for reimbursement.

For this Air Ambulance facility, Sri Kamjilal has been charged a hefty amount of Rs 7 lacs (Copy attached in Annexure-IV) towards Air Ambulance charges. The mental and physical condition of Mr & Mrs Kanjilal, prevented them to intimate or seek any prior approval from CMS, ECL. For them it was a matter of life and death and time was running short.

Our CPRMSE rules for Section 3.0 BENEFITS, under sub-section 3.1 state the followings:

*3.1 Traveling expenses or allowance would not be admitted for journey undertaken for the purpose of obtaining Indoor or Outdoor treatment either for self or spouse. **In case of ambulatory patient, ambulance charges will be paid in case the ambulance is provided by the Empanelled hospitals.***

Hence, in view of the above provisions, taking a lenient view of the circumstances, flexibility in the rules may be allowed and competent approval be accorded for reimbursing the hire Charge Rs. 7,00,000.00/- for the Air Ambulance of Aircab Aviation Pvt. Ltd., 8/9, Ground floor, Mehram Nagar, Opp. IGI Domestic Airport, New Delhi-110037(Route - Pantnagar-Durgapur).

Thanking You,

(P.K.SINGH RATHOR)
Principal General Secretary
