Sub: Request for early release of PRP for 2019-20 to retirees and transferred executives

Dear Sir,

It is a pleasure that PRP for FY 2019-20 has been paid to almost all working executives by CIL and its subsidiaries.

However, those working executives who were subjected to transfers in the said year are yet to be paid along with those executives who have since then retired from their services in the corresponding financial year 2019-20 or later.

While we appreciate the difficulties of the management while trying to release payments to such executives, among whom many have been transferred to other companies and many have retired now, we request you for needful instructions for an early release of PRP.

In anticipation of a positive response and early action from your end.

With regards,

(P. K. SINGH RATHOR)
Principal General Secretary
