Sub:-- Approval of treatment and re-imbursement of Sri Bidyut Kumar Pal (M-920), EIS-90038878

Dear Sir,

Our member Sri Bidyut Kumar Pal (M-920), EIS No. 90038878 is CPRMSE beneficiary from ECL vide his Medical card no. ECL/C5-(D)/CPRMSE / Admin/02/12/0044 dt 9-11-2012. (Medical card copy attached in Annexure – I (2 pages))

Due to his illness (Aortic valve stenosis with 90% block of LAD), he consulted with Dr. Devi Prasad Shetty at Narayana Institute of Cardiac Science, Bommasandra, Bangalore on **28th March 2022**. (Copy Annexure – II (2 pages))

Dr. Shetty reviewed his medical history and investigation reports (Angiogram, ECO, ECG, X-RAY). Due to previous history of CVA, hypertension and age with obesity, Dr. Shetty mentioned that open heart surgery for valvectomy and CABG of LAD is risky and not recommended for him. Dr. Shetty advised him to go for TAVI (Transcatheter Aortic Valve Implant) + PTCA with Stent to LAD procedure and referred him to Dr. Sanjay Mehrotra, in the same hospital Narayana Institute of Cardiac Science, Bommasandra, Bangalore.

As per Dr. Mehrotra's advice on 31-3-2022, he went for the CT Angiogram of Aorta. After reviewing the CT scan report Dr. Mehrotra also advised to go for TAVI + PTCA with Stent to LAD procedure. The doctor's consultation and procedure cost estimate and health card, was attached in the email sent to CMS, ECL. for your needful approval and consent.

He has so far not received any communication from CMS,ECL. As such, we request to please get the case examined as per the details provided by him for approval of his medical expenses.

Regards,

Thanking You,

(P.K.SINGH RATHOR)
Principal General Secretary
