Sub: Request for appropriate measures against CIL- empanelled Hospitals for violating MOU under CPRMSE

Dear Sir,

Coal India Ltd. has implemented a Contributory Post Retirement Medicare Scheme called CPRMSE for retired executives and CPRMSNE for retired non-executives and has 384 empanelled hospitals across India.

No doubt, CIL is a Maharatna company but its beneficiaries are feeling losers after years of their implementations.

The empanelled hospitals are creating problems like,

- a) Reportedly in a specific case, Tata Cancer Hospital, Kolkata has a history of denying entitled cabin ward to CPRMSE beneficiary treating the beneficiary at par with General patient who is not covered under any Health scheme
- b) Declining their empanelment with CIL, or
- c) Even if they do not decline, they are refusing to extend CGHS Rates to beneficiaries
- d) Refusing cashless treatment due to reasons best known to them.
- e) Stating that MOU with CIL has not been renewed
- f) Billing differently for different departments which are under the same roof
- g) Billing with a new Name citing change of ownership/management of hospital
- h) Wrong billing for Indoor wards of higher category in place of actually provided lower category

Under the circumstances, we are forced to demand for removal of these hurdles and strict review/monitoring of every empanelled hospital by a high power committee of CIL for smooth implementation of CPRMSE/CPRMSNE and to devise suitable remedial measures for various hindrances ailing the scheme at various point of time

Thanking You,

*With Regards,*
