Sub: Immediate intervention for payment of pension to them who have not received for the month of June 2025 payable in July, 2025

Dear Sir,

Under CMPS-1998, Central Provident Fund Organization (CMPFO) disburses pension to the beneficiaries by engaging State Bank of India as the nodal bank and through other associated non-SBI banks.

So far, the payment was more or less being made regularly on the 1st day or in the 1st week of every month.

As of today (11th July, 25), many of the pensioners receiving pension from non-SBI banks, specially, Union Bank of India have not received their respective pension for the month of June, 2025 payable in July, 2025.

There is no one to explain the status and reasons leading to this fiasco. Pension paying bank branches are in a fix and unable to provide any solution. These banks are even telling pensioners to approach CMPFO for this fiasco.

You will agree, Sir, that these ill-paid pensioners are heavily dependent on the paltry pension amount and they are heavily dependent on its timely receipt.

It is informed that the coal pensioners and AIACE/AICPA members, settled across the country are very much agitated over the delay and prepared for direct action in any form. We, at the helm of affairs of the association are trying to quench the anger and convincing them to wait for a day or two. But, we will not be able to control the outburst of the poor pensioners.

It is requested to direct CMPFO along with SBI Nodal Bank and all pension paying banks for ensuring immediate release of pension to all and further steps are requested to be taken so that similar situation does not arise in future.

With Regards,

P.K.SINGH RATHOR
Principal General Secretary
