Sub: Request for Inclusion of Additional Fields and Correction of Missing Details in the Empanelled Hospitals List

Dear Sir,

Subject: Request for Inclusion of Additional Fields and Correction of Missing Details in the Empanelled Hospitals List

Sir,

AIACE has prepared an Excel version of the PDF of the circulated empanelled hospitals list, in which the contact numbers and email addresses of hospitals have been extracted into two separate columns.

The study of this Excel document reveals that contact numbers and email addresses of many hospitals are missing. This is creating serious difficulty to beneficiaries, who are often unable to contact hospitals for confirmation of facilities, prior approval, emergency needs, or any other requirement. The missing information causes avoidable embarrassment and inconvenience to the beneficiaries.

Our prepared Excel sheet is attached for ready reference. (Annexure-I)

The following suggestions are submitted for your kind consideration:

1. Validity of Empanelment:

A separate column may please be added showing the *validity date* of each hospital's empanelment. This will help beneficiaries confirm about the current empanelment of the hospitals.

2. Last Confirmation / Inspection Date:

A column indicating the *date of last confirmation / inspection* after visit by CIL officials may also be included. This will enhance transparency regarding the monitoring of empanelled hospitals.

3. Display Only Official Hospital Email IDs:

It is requested that *only official institutional email IDs* (e.g., **xxxx@apollohospital.com**) be displayed. Personal email IDs such as Gmail, Yahoo, Hotmail, etc., which belong to individuals, may kindly be removed to ensure accountability and correct communication.

Our association requests CIL management to kindly update the master list by incorporating all missing contact details and the additional recommended fields in the interest of smooth functioning and better service as well as to improve its completeness, authenticity, and practical usefulness for beneficiaries.

Thanking you,

P. K. Singh Rathor
Principal General Secretary, AIACE
