All India Association of Coal Executives (AIACE)

Dhanbad Branch AND Asansol Branch

Minutes of the meeting held on 10/8/2021.

All India Association of Coal Executives (AIACE) is a unique association of working & retired Executives as well as wives of deceased executives belonging to Coal India Ltd. (CIL) and Singareni Collieries Company Ltd. (SCCL).

Today on 10th August 2021, members from Dhanbad Branch and Asansol branch of Association assembled at Hotel Indramani Palace to discuss an emergent issue of Fast un to death before CMPFO, HQ, Dhabad, declared to be undertaken by one of its members Sri H K Choudhury to protest against failure of CMPFO in awarding justice to him.

It is to recall that Sri Choudhury retired from CCL (a subsidiary of Coal India Ltd.) in 2006 prior to which he had also served in ECL which is another subsidiary of Coal India Ltd. The prevailing system for his pension fixation required proper interaction between the 2 subsidiaries of CIL as well as various Regional offices of Coal Mines Provident Fund Organization (CMPFO). Although all these bodies function under coal ministry, unfortunately, they failed to properly consider his length of service in ECL for the period 1/8/1973 to!6/1976. This shorter length of service considered has resulted in his pension fixation at a lesser amount.

Even though this anomaly was rectified by Dy. FM (Establishment), ECL vide letter no ECL/ACCOUNTS/PAY FIXATION/52/GENL/3068 dated 15/12/82. and the pay of Sri H K Choudhury was re-fixed and communicated to CMPFO, the prevailing system and rampant corruption at CMPFO has denied him his legitimate dues.

Sri Choudhury has been raising the issue with Regional Commissioner, CMPF, Ranchi but his grievance has not been resolved till date. In last 15 years, Sri Choudhury might have written 500-700 letters to various institutions, but of no avail.

As such, he has been compelled to go for **FAST UNTO DEATH** on 16th Aug., 2021 for settlement of his pension pending in an unusual manner for last 15 years. He will be supported by AIACE and the meeting discussed preparatory measures and logistics support for this.

AIACE feels that Sri Choudhury has been harassed to such a level that he is left with no other option but to die before CMPFO, Dhanbad office if his pension is not revised. It is being reiterated

that resultant consequences for any untoward happening to Sri Choudhury will be entire responsibility of CMPFO.

The meeting was jointly addressed by AIACE Dhanbad Branch President Sri K N Prasad and General Secretary Sri M Z Ali. Dr N G Mukeherjee, Sri G R Paul and Sri Ambika Chakraborty all from Asansol branch also addressed the gathering and offered valuable suggestions for our action.

The meeting ended with vote of thanks to the Chair presided over by Dr B K Shrivastav, Vice-President, Central AIACE who specially flew in from Delhi for this preparatory meeting.

Extra-ordinary meeting held on 13/8/2021 with CMPF Officials

Our member Sri H K Chowdhury was compelled to announce his decision to go for **FAST UNTO DEATH** before CMPF Office, Dhanbad on 16th Aug., 2021 for settlement of his pension pending in an unusual manner for last 15 years.

In response to his announcement CMPFO vide letter no. CPF/CP/111(26)/Pen/RAN-I/Vol-III/435 dated 11th August, invited Sri H K Choudhury for a meeting on 13-8-2021. He was supported by AIACE and our Vice –President Dr B K Shrivastav participated on behalf of AIACE to assist Sri Choudhury in the meeting in which officials from ECL and CCL also participated.

It was a fruitful meeting held in a conducive atmosphere. The date of his appointment was established to be from 1-8-1973 from the records produced by the concerned company. Although the issue of his contribution @Rs 19 per month from 1-8-1973 could not be concluded in a definite way, CMPFC proposed to seek approval from CMPF Trusty Board for deposit/collection of the said amount in a fresh manner. AIACE delegation was happy to note that more such similar cases stated to be pending with CMPFO will also get settled as per Board's fresh directions. Under the above stated circumstances, Sri Choudhury communicated us to postpone his Fast unto Death agitation till the abiding decision of Trusty Board is received.

AIACE is thankful to CMPFC for informally discussing with us about the sustainability of CMPF pension fund and feasibility of incorporating DA component in pension fund. We took the opportunity to request you for sending reminders to coal companies whose comments were invited by CMPFO based on our earlier suggestions submitted on 9th March, 2021.

The successful meeting resulted in Sri H K Choudhary withdrawing his proposed fast unto death WEF 16/8/2021.

Regards,

M Z Ali

Encl: Letter to AIACE by Sri H K Chowdhury

Letter to AIACE by Sri H K Chowdhury

Respected Rathor Saheb,

I am really thankful to you and AIACE in particular for providing me logistic support in my fight against injustice.

I am really very much obliged to you for sending a large team of AIACE members specially from Asansol & also from Dhanbad itself who helped me a lot in my schedule meeting with the Commissioner, CMPFO, on 13.08.2021.at 11AM in his good office in Dhanbad.

At the outset, Animesh Bharti Saheb informed that he had also a detailed telephonic discussion with Biman Mitra Saheb in relation to my case.

Here I am particularly thankful to our member Dr. B. K. Srivastava, who accompanied me right upto the meeting with PF Commissioner. In fact he presented my case so well before Commissioner & helped in my presentation of the facts. The Commissioner was kind enough to summon high power delegation from ECL&CCL for that important Hearing.

I am pleased to inform you that in the meeting, the major issue of the correct date of my joining in CIL/ECL had been successfully resolved in my favour. Again I was assured that all the remaining data required by CMPFO, will be jointly prepared by ECL and CCL, to be submitted to CMPFO. Their joint efforts will be supervised/ monitored by CMPFO itself.

In the said meeting, it was pointed out that although arrear PF contribution for the missing period from 01.08.1973 to 01.06.1976 proven to had been deposited, but mentioning of deposit of Rs19 per month towards the then prevailing Family Pension scheme wasn't clearly reflected or perhaps might not been deposited specifically.

To break the ice, the Commissioner was kind enough to seek approval from CMPF Trusty Board for collecting missing contribution in my case. He agreed that there were similar cases like mine for which a general provision deserves to be made.This Board meeting and communication of decision of Board is likely to be achieved in next few weeks.

Having faith on his words/actions/commitments of CMPFOC, I had postponed my proposed "Fast unto Death" till the decision of Board is made available.

I once again sincerely thank you, Sir, & also the AIACE.

Regards.

H. K. Choudhury.

All India Association of Coal Executives (AIACE)

Minutes of the meeting held on 5/9/2021 on zoom platform.

AIACE held its Executive committee meeting on 5/9/21 at 7.30 PM on zoom platform.

Office bearers/executive member of central body and local branches and all members of AIACE in the rank of Working General managers of ECL & MCL, who are members of AIACE made it convenient on their part to attend this meeting as per list of participants appended at the end of this Minutes.

The meeting was presided over by Sri R B Mathur and co-ordinated by Dr B K Srivastava.

Following issues were discussed as per the circulated.

1. Attractive VRS to executives

It was informed that CIL has notified a superannuation scheme which does not have any monetary compensation to those who opt for it. Whereas DPE has given guideline to include monetary compensation on the basis of number of years worked or no of years left in normal retirement.

It was informed that AIACE has taken up the matter with CIL Mgt.

2. Transfer policy of CIL and its implications

It was informed that CIL has implemented transfer and job rotation policy and has transferred executives as per this policy on insistence of AIACE. But, due to this many of executives in the age bracket of 55-60, who have been transferred to other companies are facing difficulties in adjustment. Many are suffering from different ailments. They feel that this policy has put the aged executives in disadvantage. This transfer will not result in any improvement rather inefficiency will crop up.

It was decided to take up the matter with Mgt for not transferring executives of more than 55 years age to other companies in normal cases and they should be transferred in case of promotion only.

3. Promotion policy & dissatisfaction among executives

Members present in the meeting raised the issue of faulty promotion policy adopted by CIL. It was brought into the knowledge of members that executives of E6 grade who secured more than 75 years marks used to be put in promotable category and were promoted in the basis of previous seniority but now this has been ignored and in spite of being in promotable category, they are not being promoted as marks become the sole criteria for promotion. This has caused promotion of junior Executives and non-promotion of seniors.

It was decided to take up with the Mgt.

4. Revival of underground mines and sustainable development

It was decided to form a committee of AIACE to suggest measures for revival of non-profitable UG mines

5. Audit report for the calendar year 2020.

The audit report was presented in the meeting, and after appropriate discussions, was adopted unanimously. It was decided to send the copy of the audit report after submission of annual report for the FCY 2020 to the Registrar of Trade union, Govt of Chhattisgarh.

6. Closure /merger of inactive branches

It was decided to close/ merge the branches based on number of members and activities. Convenor will take needful action for this.

7. Relay hunger strike in December, 2021 in Delhi on non-revision of pension.

It was decided to hold the strike seeing the normalcy of corona pandemic and extremity of weather conditions. It was decided to hire flats in Delhi for a short period during the relay strike. It was also decided to start mass campaign regarding pension issue and dharna so that more people reach Delhi.

8. Membership drive

It was decided to increase the membership drive and all members were requested to work hard in order to contact executives to become member of AIACE.

9. Waiver of annual fee for members more than 75 years of age on 1st January of every year

So far, members above 80 years of age are exempted from paying renewal fee for membership. It was decided to waive annual membership fee from members who become more than 75 years of age in 1st January of every year.

10. Enhancement of registration fee to Rs 5000/ for new members who join AIACE after 31/12/2021.

It was explained that it has been observed that people are avoiding to join AIACE during their working life and opting to join it only after retirement in a selfish way to gain advantage over their problems. In order to discourage this mentality, it was decided to increase the registration fee of AIACE from Rs 2000/ to Rs 5000/ WEF 1/1/2022 so that people volunteer for membership during their service life. Those who join before 31/12/21 will continue to pay RS 2000/ only as registration fee. The annual renewal fee will continue to be Rs 500/ only.

11. Start of physical meetings at different places after 15/10/2021 seeing the position of corona pandemic.

It was decided to gradually start physical meeting of AIACE at different places after 15/10/2021 depending on the actual local conditions.

12. Holding of Jeevanpramaan Camp for submitting life certificate in association with India Post Payment Bank (Govt of India) in the month of Oct-November 21.

It was informed that discussion is on with India Post Payment Bank for arranging Jeevanpramaan camps. The Camp will be organised for the benefits of coal Pensioners at different places across the country.

13. Empanelment of hospitals and allowing treatment in all hospitals.

It was decided to take up this long pending matter with Mgt.

14. Regular payment of Monthly monetary Compensation.

Reports are being received about irregularity in payment of Monthly monetary compensation to spouses of deceased executives and there is no fixed time for releasing the payment. It was decided to take up the matter with MGT.

15. Inclusion of government hospitals for OPD treatment.

It was pointed out that while revising the CPRMSE, OPD treatment in Govt. Hospital does not find its mention, where as other hospitals, including empanelled hospitals are included. It was decided to take up this anomaly with the Mgt.

16. Cashless treatment in company hospitals

Presently, Cashless treatment in company hospitals is limited to the beneficiaries availing facilities from the same subsidiary to which the hospital belongs. It was decided to take up the matter with the Mgt to extend cashless treatment to all beneficiaries, irrespective of subsidiary opted, and inter subsidiary arrangement for debit-credit from Domiciliary(36000/OTHER head(25 lakhs) as the case may be.

The meeting ended with the vote of thanks to the chair by Dr B K Srivastava.
