Sub:-- Cashless facility for treatment of retired executives and theirspouses in empanelled hospitals.

Dear sir,

CIL has empanelled several hospitals at different places for treatment of CIL executives and employees. Many of retired executives are residing in Dehi, Kolkata, Asansol, Dhanabd, Varanasi, Nagpur, Ranchi, Lucknow, Banglore , Bilaspur ,Kerala and at other places but the hospitals are not giving cashless facilities and due to this retired executives are facing a lot of problems.

CPRMSE Scheme Rules of CIL are same for all retired coal executives. It is also same for all empanelled hospitals by CIL irrespective of its lacion anywhere in India. It has been learnt that retired coal executives settled at Visakhapatnam are getting cashless OPD medical treatment in 7 Hills hospital including cost of medicines and MCL is entertaining cashless facility being provided by that hospital of Viasakshapatnam but CIL and other companies are denying it.

ALL INDIA ASSOCIATION OF COAL EXECUTIVES(AIACE) demands that whenever CIL empanels any hospital at any place, it should provide cashless facilities to retired executives and their spouses in case they are admitted in the hospital or take treatment as out door patient.

Hope, mgt will take favourable action in the matter.

Regards
