Sub-- Implementation of Promotion order from E3 to E4 grade .

Dear Sir,

CIL issued promotion order in the month of June '17 from E3 to E4 grade. It has come to our knowledge that in most of the companies, it has been implemented and joining order was issued immediately after observing necessary formality. But in CCL, the promotion has not been made effective because no such order has been issued except for E& M discipline. The executives are very much worried on delay in issuing order. It is requested to look into the matter and issue instruction to Executive Establishment Department for issuing order without further delay so that promoted officers join in higher grade.

Regards
