Sub:-- RELEASE OF TRANSFERRED EXECUTIVES.

Dear sir,

It is brought to your kind notice that frequent transfer orders are being issued transferring executives from one company to another and one area to another in the same company. It is appreciated that transfer order is well discussed at competent level and decision taken and thereafter the transfer order is issued. But, it is painful to note that the transfer orders are not fully implemented and transferred executives are in a fix what to do and what not to do.

In this connection, the mass transfer of executives of different grades on request basis may be cited. Some influential executives have been released who wanted release and some have been retained as per their wish and some are still waiting to be released. This is causing frustration among them.

Regarding release , office memorandum no 183 dated 23/11/2005 on transfer policy issued by the then GM(Personnel), CIL may be referred communicating the decision of 233rd meeting of BOD of CIL on the issue. The board had directed that transfer orders issued should be implemented within 30 days of issuance of the order except in case of such transferees whose transfer order has been subsequently withdrawn/modified by the Chairman, CIL . In the event of non -release of transferee within aforesaid period, he/she shall be deemed to have been released on expiry of 30 days. of issuance of the order.

In the light of above facts, it is requested to direct concerned officials to release all the transferred executives without further delay who have been transferred in the last one year from one company to another or one area to another area within the same company.
