AIACE/CENTRAL/2017/67

Dated 18 /12/2017

To

The Chairman,
Coal India Limited
Kolkata.

Sub:- Promotion from E6 to E-7 Grade and only need based transfer from one company to other company.

Dear Sir,

Kindly refer to our letter no AIACE/CENTRAL/2017/50 Dated 7 /10/2017 on the above subject. It has been learnt that management is going to promote executives from E6 to E7 grade on the basis of vacancy as on Sept'14 and in many disciplines, there is no vacancy though many have been promoted from E7 to E8 and also retired in the last three years. This is causing acute frustration among executives who in spite of completing more than 25 years in executive cadre will not be getting promotion in coming months. It is fact that promotion has been done from E7 to E8 in most of the disciplines on the basis of vacancy as on Sept'16.

ALL INDIA ASSOCIATION OF COAL EXECUTIVES(AIACE) demands for conducting DPC on the basis of vacancy as on Sept'2017 for promotion from E6 to E7 grade in all the disciplines, be it mining or non- mining. It also demands that mass transfer should not be done from one company to other company on promotion and only need based transfer should be done. This will reduce financial burden on company as executives are required to be paid TA in case of transfer as well as reduce inconvenience to promoted officers at new place of posting.

We hope , mgt will take appropriate action in this regard and promote executives from E6 to E7 grade on the basis of current vacancy.

Yours faithfully,

Regards
