The Chairman,
Coal India Limited
Kolkata.

Sub:- Cashless medical treatment.

Dear Sir,

It is brought to your kind notice that one of retired executives settled in Banglore visited Manipal Hospital there for treatment .The hospital refused to provide any kind of medical facility. It was told that from 16 th December 2017,the hospital has decided to withdraw any kind of medical treatment to all Coal India people. This decision has been taken by the hospital because bills are lying pending at CIL/subsidiary companies. Similar actions are also being taken by other empanelled hospitals. This is highly objectionable behaviour of EMPANELLED hospitals. This arbitrary decision of hospitals must be looked into seriously as they are breaching the agreement unilaterally.

It is requested to take suitable immediate action to restore the treatment facility as per agreement with CIL mgt and hospitals .

It is also requested to issue smart card to retired executives for uninterrupted treatment for executives covered under CPRMSE.

Regards

P K SINGH RATHOR
