Sub: Submission of Life Certificate under CPRMSE

Dear Sir,

AIACE wants to bring to your kind notice that as per the Contributory Post Retirement Medicare Scheme for Executives (CPRMSE), retired executives have to submit their annual claim for reimbursement of Outpatient/Domiciliary treatment in January every year. The Life Certificate of executive and spouse, signed by a designated officer is required to be enclosed with this application. This involves multiple visits to obtain signature of the officer and puts the aged persons to avoidable inconvenience.

Our association is striving to improve relations between the management and its employees and also to improve ease of operations. Accordingly, it is suggested that CIL and its Subsidiaries can accept Jeevan Pramaan (digital Life Certificate) as is being done by CMPF, EPFO and many other organizations. As the retired executives have to submit life certificate to CMPF, they are anyway obtaining Jeevan Pramaan and the same can serve the purpose of OPD reimbursement. This will be in tune with the concept of Digital India and save the retired executives a lot of trouble.

We request you to consider this proposal and issue necessary instruction.

Regards,

P K SINGH RATHOR
Principal General Secretary
