Dear sir,

All India Association of Coal Executives (AIACE) is proud to be a body consisting of serving & retired executives of public sector coal companies.

In its endeavour to serve the members in a transparent way, AIACE had successfully ventured to launch its e-magazine on 18th July, 2019. This electronic version is of 300 pages freely available online. For convenience of all concerned, a Black & White concise version was also printed. This concise version contains a brief description of AIACE and its objectives along with its achievements since inception along with providing useful information to members. Subsequent series of this publication is intended to be online only having informative contents.

It is our utmost desire to present a sample hard copy of this magazine for your kind perusal. For this purpose, we request you to kindly allow a short appointment to our delegation of 2-3 members to personally handover this magazine as a token presentation from us.

Thanking you,

With Regards,

P K SINGH RATHOR
Principal General Secretary
