Sub:-- Height of goof-up by assigning same EIS to two executives leading to gross blunder in Data uploaded under Executive Defined Contributory Pension Scheme, 2007

Dear Sir,

Your kind attention is drawn towards our letter no AIACE/CENTRAL/2019/44 Dated 1/3 /2019 on the above subject by which it was brought to your kind notice that an intriguing error and height of blunder/error had been noticed in the data prepared and uploaded on site prepared for Executive Defined Contributory Pension Scheme, 2007.

Sri Gopal Narayan Singh retired as CGM (Personnel) from NCL. In the website EIS 90013962 has been assigned to two executives namely (i) Sri Gopal Narayan Singh, and (ii) Sri Mhao Lotha.

This resulted in very interesting goof-up and a funny tables have been generated by the System. Referring to the uploaded data, the Profile form says that date of birth (Emp dob) of Sri Gopal Narayan Singh is 30-07-1983, but he joined the company on 01-09-1971 i.e. before his birth.

To understand this goof-up, your attention is drawn to the fact that monthly contribution made in respect of EIS no. 90013962 for the 24 months of 2007 and 2008, the employee name is shown as GOPAL NARAYAN SINGH and then thereafter the name changes to MHAO LOTHAN. Ironically the date of birth remains same as 30-7-1983 which is definitely not of Sri Gopal Narayan Singh as informed by him to us.

The matter was raised vide our above mentioned letter.

In view of the stated facts above, we hereby request you to kindly ensure a quick remedial action so that justice to two executives is not denied.

Regards,

P K SINGH RATHOR
Principal General Secretary
