Sub: Request for more Empanelled Hospitals at Vizag and other locations

Dear Sir,

We would like to bring to your kind notice the difficulties being faced by retired executives as well as other employees in getting medical treatment due to lack of hospitals empanelled by SCCL in cities like Vizag and other locations.

Presently empanelled hospitals are available only in few select cities, and an important city like Vizag is deprived of any such hospital. Our retired executives have spreaded to many other locations in Telengana and other parts of the country. It is desired that the process of empanelling hospitals may kindly be made easy so that more hospitals willingly come forward for getting themselves empanelled with SCCL.

It is gathered that, presently the practice is that the desired Hospital authorities are required to submit an application addressing the C&MD, SCCL expressing their willingness to extend medical facilities at par with NIMS rates. After that, such hospital authorities have to send representatives to meet the CMO, SCCL at Kothagudem. Obviously, this so called procedure is cumbersome and why at all a hospital should depute a marketing executive to meet executives of SCCL, when the hospitals do not lack availability of patients ?

In the stated scenario, it will be a good step to allow the following provisions in CPRMSE:

- (i) To follow the same procedure for empanelment as being followed by Coal India Ltd
- (ii) To consider all hospitals empanelled by Coal India Ltd at par with empanelled hospitals of SCCL
- (iii) To issue an amendment, in line with Coal India Ltd, to allow treatment at hospitals who are PSU hospital/ other PSUs empaneled Hospital, ESI Hospital, Government hospital including hospital under Municipal Corporation or Hospital/Diagnostic Centres empaneled by CGHS subject to CGHS rates for the items covered under CGHS and referred by Company Doctor or other extant guidelines and claim reimbursement of expenses incurred. (Annexure-I)

We hope that our suggestion will find its worth to be implemented by you soon.

Regards,

P. K. Singh Rathor
Principal General Secretary, AIACE
