Sub:- Request for deferring Coal Stock measurement by at least 15 days in view of Corona outbreak

Dear Sir,

Every year, normally from 1st to 15th of April, CIL and its subsidiaries are conducting Coal Stock Measurement.

This is a tedious job requiring field duty in a large group and also involves interaction with large number of people in CIL offices and elsewhere.

However, in view of the precautionary measures being adopted everywhere; it is requested to defer this exercise at least for 15 days. This will be in line with the measures being advised by various state and central government.

Under the stated reasons, appropriate instructions are requested from your end.

With best regards,

P K SINGH RATHOR
Principal General Secretary
