SUB: Enhancement of Pension due to pay revision wef 1/1/2017

Dear Sir,

Kindly refer to our earlier letters no. 2020_032 dated 1st April 2020 and no. 2020_039 dated 25th April 2020, along with enclosures containing list of executives who retired after 1/1/2017. Pursuant to the revision of pay scales of executives of Coal India Ltd. with effect from 1st January 2017, the pension amount payable to executives superannuated after that date under Coal Mines Pension Scheme, 1998 was to be enhanced according to the new pay scales which were implemented in 2018.

However many executives, who retired after 1-1-2017, but before the implementation of the revised pay scales, are deprived of enhanced pension admissible under new pay scales. They continue to receive pension at the old rates. One of the probable reasons for this may be that their revised data and contribution might not have been sent to CMPF office by the units. But in some of the cases revised pension has not been released even after this data and contribution sent by the Coal Companies. On last 2 occasions, we had submitted list of our such members out of which many are yet to get revised pension.

Since the financial implication of this is quite considerable from the point of view of the retired executives, many such affected members of AIACE have represented to us to take up this issue with concerned authorities.

Under the circumstances, we request immediate resolution of the issue.

P K SINGH RATHOR
