Sub: Lack of co-ordination between WCL and BCCL and undue delay in releasing legitimate dues to Sri A N Yadav, EIS No. 340570 after his acquittal of all charges by Ranchi High Court

Dear Sir,

Your kind attention is requested to be drawn to the agony faced by our member Sri A. N. Yadav, Retired Manager, BCCL/ Retd. Dy. CME, WCL, EIS No. 340570.

He was charged sheeted by CBI in a case no 21(A)/1986 and after being convicted by CBI, court Dhanbad, he was dismissed by CIL in 2004 vide order no CIL:C-5A (| |) Disc.case A.N. Yadav731 dated 10/14-7-2004.

Later on, in 2012, this judgement of Dhanbad court was set aside by Ranchi High Court on 23-11-2012 after which he became eligible to receive all his past dues not paid to him.

However, he is being denied the natural justice of payment due to missing files due to irresponsible co-ordination between WCL and BCCL. Whereas, BCCL is claiming to have sent all relevant documents to WCL, receipt of service file is being denied by WCL. This fiasco is resulting in undue denial of payment to Sri Yadav, who is in his late eighties and due to his ill-health, he is unable to pursue the matter on his own.

Primarily, it looks lack of commitment by concerned officials in releasing the dues to Sri Yadav on some fictitious ground.

Under the circumstances, your needful instructions are solicited so that the concerned subsidiaries rise to the occasion in releasing the legitimate dues to Sri Yadav.

With regards,

(P.K.SINGH RATHOR)

10 The learned counsels appearing for the appellants have submitted that the prosecution case in nutshell that all the appellants (accused persons) in collusion with the each other misappropriated a huge quantity of detonators, explosives and various types of explosive materials and they are party to a criminal conspiracy. It is submitted that against Chandradeep Singh who is appellant in (Cr. Appeal No. 1338 of 2003) the allegation is that five Depot Transfers (D.T.) were signed by him and all said D.Ts. were dated 28.5.1985. Since the signature of the Chandradeep Singh were in the said five D.Ts., therefore, it is presumed that explosives were entrusted to him and thereafter as there was no mention in the Stock Register of the Damoda Colliery Magazine regarding receipt of the same as such he has misappropriated the said explosives mentioned in the five D.Ts. In this regard it is mentioned that the evidence P.Ws.1, 5, 6, 8,10, 11, 15, 16, are important.

11 P.W 1 is Finance Manager of B.C.C.L. It is submitted that though he has proved a number of D.Ts. and also proved signatures of Jodhi Mahto and C.D. Singh but in para 17 of his evidence he has very specially stated that no explosives materials were issued against the aforesaid D.Ts. in his presence even he has no knowledge that in respect of said D.Ts, the management of the said Keshargarh Colliery has made

any investigation or not. He has further stated in his evidence in para 26 that he did not make any enquiry that any person receiving any explosives against any D.T., has mentioned the same in the Receipt, Issue and Stock Registers on that particular date. Therefore, it cannot be said that P.W.1 has proved the prosecution case regarding allegation against C.D. Singh that he has received the explosives materials from Keshargarh Colliery Magazine. P.W.6 who was General Manager / Chief Mining Engineer has stated in his evidence regarding the procedure for taking explosives from Keshargarh Colliery to Damoda Colliery. He has further stated that on 28.5.1985 C.D. Singh has received only five D.Ts. and Jodhi Mahto has received rest of the D.Ts. But no where he has stated that on the basis of the said D.Ts., C.D. Singh or Jodhi Mahto received the explosives. P.W.8 Bishwanath Chakravorty who was Magazine Clerk in Keshargarh Colliery in 1985, has stated only that whenever he issued any explosives, the same were usually received by C.D. Singh and Jodhi Mahto. Counsel appearing for C.D. Singh has pointed out this witnesses no where stated any thing about the D.Ts. in question i.e. D.Ts. Dated 28.5.1985. P.W.10 and P.W. 11 were dumper operators responsible for transfer of explosives from Keshargarh Colliery magazine to Damoda Colliery magazine but none of them have stated that any of the appellants was carrying explosives on 28.5.1985 from Keshargarh to Damoda Colliery. He has stated only that Jodhi Mahato used to come Keshargarh Colliery from the Damoda Colliery to take explosives to Damoda Colliery. P.W.15 Trilochan Mukherjee was Assistant Manager in Damoda Colliery from 1985 to 1987. He has stated in his evidence that in the relevant time A.N. Yadav was Manager of Damoda Colliery and Chandradeep Singh was magazine in-charge and he used to make entry in the Stock Register of Damoda Colliery regarding explosives received from Keshargarh Colliery. He has further submitted that he was not present at Keshargarh Colliery Magazine during delivery of explosives in question to Jodhi Mahto. He has further admitted that he does not recognize the handwriting of all the entries except the signature of the C.D. Singh and has further admitted that he has given his statement only after seeing the D.Ts. in question. P.W.16 is

J.P. Verma was D.S.P. in C.B.I. from July 1984 to July 1988. He is I.O. of this case. He has proved the F.I.R. (Ext-20) and other Exhibits. Counsel of the appellants have submitted that I.O. has very specifically stated that he never made any physical verification of the Stock of Explosives, Detonators, and Fuses of Keshargar Colliery neither he made any physical verification of Magazine of Damoda Colliery. He has also admitted in his statement that he never checked or seized the Entry and the Exit Register (Gate pass Register) of the vehicle of Keshargarh CISF Camp. He has further admitted he has not investigated that the explosives, detonators, and fuse wires were issued arbitrary or not and further non availability of the explosives in question, the colliery work was ever stopped.

12. It is further submitted that P.W.12 D.S.P., CBI have stated in his cross examination that he has only submitted the charge sheet in this case and P.W.16 has investigated this case. P.W.13 and PW. 14 have proved the death report of Md. Kabir Kirmani who was one of the witness of this case.

13. Counsels appearing in the aforesaid appeals, have submitted that though there is signature of the appellant Chandradeep Singh (C.D. Singh) and Jodhi Mahto alias Chota Jodhi Mahto (died during the pendency of the trial) but there is no evidence either oral or documentary that the said persons had actually received the explosives on the relevant dates from Keshargarh Colliery. There is no evidence that any vehicle receiving the said explosives from the magazine of Keshargarh Colliery came out from the said Colliery. Even the Log Book of CISF in respect of movement of vehicles carrying explosives from Keshargarh Colliery, have not been brought on record. Furthermore, admittedly there is no stock verification of explosives etc. of Keshargarh Colliery Magazine or of Damoda Colliery Magazine. Therefore, there is no evidence regarding any Physical /actual entrustment of the explosives on the relevant dates to any of the appellants from Keshargarh Colliery. Thus, it can not be said that the appellants have misappropriated as alleged by the prosecution. It is further argued that the whole case is based on presumption as the signatures of the accused appellant C.D. Singh and

Jodhi Mahto (deceased) are on the few depot transfers (D.Ts.).

14 Mr. Khan, learned counsel for the C.B.I. has submitted that the allegation against the appellants namely K.P. Singh (Cr. Appeal (S.J) No. 1318 of 2003), A.N. Yadav (Cr. Appeal (S.J) No. 1319 of 2003), Chandradeep Singh (Cr. Appeal (S.J) No. 1338 of 2003 and Ram Nath Pandey (Cr. Appeal (S.J) No. 1299 of 2003 that in collusion with each other, misappropriated a huge quantity of detonators, explosives and various types of explosive materials and being a party to a criminal conspiracy, they received the explosive materials from Keshargarh Colliery Block II, BCCL magazine but the material were not accounted for in the Explosive Stock Register of Domoda Colliery, Area-I, BCCL, Dhanhad. The appellant K.P. Singh and A.N. Yadav placed Depot Transfer (D.T) order by putting their signatures on the D.T. in the indent column for requisition of explosive materials from Keshargarh Colliery. The appellant Ram Nath Pandey issued explosive materials from Keshargarh Colliery which were not accounted for in the Damoda Colliery Stock Register. All the accused persons had played their role in the misappropriation of the explosive materials.

15. After scrutinizing the entire evidence carefully and hearing both the parties, I find except the aforesaid D.Ts. signed by the appellants concerned, there is no other material which can prove that these appellants on the basis of the aforesaid D.Ts. received explosives and other materials from the Keshargarh Colliery and the same were taken away from the Keshargarh Colliery to the out side. The counsel of the C.B.I. could not point out any evidence in respect of actual receiving of the explosives and other materials on the basis of the aforesaid D.Ts. by the appellants concerned. Furthermore, nothing has come in the evidence that the Stocks of the Keshargarh Magazine were ever verified by the investigating authority neither there is any evidence that explosives and materials mentioned in the aforesaid D.Ts were taken away from the Keshargarh Colliery. Except the aforesaid few D.Ts., there is no materials to prove the charges against any of the appellants. Thus, the prosecution has failed to prove the charges beyond all reasonable doubt against the present appellants. Therefore, giving the benefit of doubt, I allow the

appeals i.e. Cr. Appeal No. 1299 of 2003, Cr. Appeal No. 1319 of 2003 and Cr. Appeal No. 1338 of 2003 and set aside the Judgment of conviction and sentence dated 25.08.2003 passed by the Ist Additional Sessions Judge, Cum-Special Judge, C.B.I., Dhanbad in R.C. No. 21(A) of 1986(D) As the appellants are on bail, they are discharged from the liability of the bail bonds.

16. In the Cr. Appeal No. 1318 of 2003, it has come on the record that during the pendency of the appeal, the appellant namely K.P. Singh died. Therefore, the said appeal has become infructuous. Accordingly, the said Cr. Appeal No. 1318 of 2003 is dismissed as infructuous.

प्रिय यादव

आपके सहयोग तथा अथक परिश्रम से कन्हान एरिया ने वर्ष २००३-०४ में सर्वाधिक उत्पादन कर एक नया कीर्तिमान स्थापित किया है। पूर्व में कन्हान एरिया का औसत उत्पादन १५ लाख टन प्रतिवर्ष हुआ करता था परन्तु इस वर्ष २१,५१,००० टन कोयले का उत्पादन हुआ है।

वर्ष	उत्पादन	पूर्व के वर्षों में औसत वार्षिक उत्पादन - १५ लाख टन
२००२-०३	१८,६४,१०७ लाख टन	
२००३-०४	२१,५१,००० लाख टन	

आपकी कर्तव्यनिष्ठा एवं अथक परिश्रम से वेकालि का अन्डरग्राउन्ड उत्पादन भी कन्हान क्षेत्र के कारण ही अन्य वर्षों की तुलना में इस वर्ष लक्ष्य से अधिक रहा है। सभी स्तरों पर आपकी भूरी भूरी प्रशंसा हो रही है इसका समस्त श्रेय आपको तथा आपके साथियों को जाता है। आशा ही नहीं बल्कि पूर्ण विश्वास है कि हम भविष्य में भी इसी तरह निरंतर आगे बढ़ते रहेंगे।

मैं अपनी हार्दिक शुभकामनाएं आपको देता हूँ तथा आपके कार्यशैली की प्रशंसा करते हुए ऐसा विश्वास करता हूँ कि आने वाले वर्षों में भी आप सभी रिकार्ड तोड़ते हुए श्रेष्ठता स्थापित करेंगे तथा मोआरी और तानसी परियोजनाओं को भारतवर्ष की सर्वश्रेष्ठ उत्पादन करने वाली खानों के रूप में नामांकन कराएंगे।

पुनः आपके सहयोग के लिए मैं आप और आपके परिवार के सदस्यों को इस उपलब्धि पर बधाई देता हूँ।

धन्यवाद।

My dear A.N.,

It is a pleasure to record my appreciation on your performance and valuable services rendered by you during the strike by the mining supervisory staff on 5/3/79. This is not only the first occasion when you have shown concern about the Production, Productivity and Safety of the Mine rather you rose to all such occasions when the situation demanded so. I trust, the team spirit which you have been showing in meeting the challenges will continue for the success of the mine.

Dear Sri Yadava,

I am happy to inform you that the strike of Signalmen has been called off by them unconditional-ly. The situation that led to this strike is very well known to you and I do not feel it necessary to mention it again. The action taken by the management and their stand was also known to you.

However, I feel, I must thank you for maintaining the safety of the mine and running the essential services during the strike period. The firm stand that we took was only after you all agreed to take up the extra load that would come to you during this period. It shows a good team spirit and requires high appreciation. I am sure, this would be maintained in future also.

With regards,

Yours sincerely,
