Sub: Request for establishing a system for acknowledging Receipt of Life certificate under CPRMSE

Dear Sir,

Every year, in the month of November, the retired executive beneficiaries under CPRMSE, are required to submit Life Certificate for continuation of benefits under the scheme.

Only after these certificates are received in the designated department, the Annual Reimbursement of Domiciliary treatment for Rs 36000, along with other claims under CPRMSE, are made effective from the month of January next year.

However, it is regretted that very often these certificates are not properly recorded and preserved and lost in the concerned department at any of the dealing tables.

This causes the concerned person to re-submit the life certificate at a much later date when after a lot of harassment, he/she is told of the missing life certificate and the need to submit a fresh certificate.

As such, it is requested that, there should be a system, whenever beneficiaries submit their respective life certificates at CIL HQ or Company HQ, they should receive an acknowledgement/receipt for the same by SMS.

This simple step will minimize/eliminate the delay in getting ₹36000/- annually as well as other medical reimbursements.

We request for kind acceptance of our proposal and necessary direction from your end to concerned departments at CIL HQ/Company HQ.

Thanking You,

(P. K. SINGH RATHOR)
Principal General Secretary
